Resolved,—That the Rule requiring that no Draft of a Law should be ordered to be published till at least one week shall have elapsed from the day on which it was first laid before the Council of India in its Legislative Department, and that the Rules requiring that all Acts of the Governor General of India in Council shall be brought up for second reading in two months, or in three months from the date of the first reading, be suspended in respect to the following proposed Act, and that it be at once passed into Law.

ACT No. XXI. OF 1844.

An Act for regulating the Emigration of the Native Inhabitants of the Territories under the Government of the East India Company to Jamaica, British Guiana and Trinidad.

I. It is hereby enacted, that Act No. XIV. of 1839, and all Acts repealed thereby so far as the same are applicable to the Emigration of Natives from the Ports of Calcutta, Madras and Bombay respectively, to Jamaica, British Guiana, and Trinidad, respectively are repealed. Provided always that the aforesaid Act No. XIV. of 1839 shall remain in full force in all the Ports of India, except the Ports aforesaid, and in regard to Emigrants from India proceeding to other places than Jamaica, British Guiana, Trinidad and Mauritius.

II. And it is hereby enacted, that after the passing of this Act, Emigrant Laborers, being Native inhabitants of the Territories under the Government of the East India Company, shall be allowed to pass and to be conveyed to Jamaica, British Guiana, and Trinidad respectively, from the Ports of Calcutta, Madras and Bombay respectively, but not otherwise.

III. And it is hereby enacted, that at each of the three Ports aforesaid, it shall be lawful for the Government of the Presidency within which the Port is situated, to authorize such persons as may be nominated by the Governments of Jamaica, British Guiana or Trinidad, to act as Emigration Agents at the aforesaid Ports respectively, and to exercise the powers conferred on Emigration Agents by this Act, and every such Emigration Agent shall make Monthly Reports to the Government to which he is subordinate of all matters transacted by him in pursuance of this Act.

IV. And it is hereby enacted, that at each of the three Ports aforesaid, it shall be lawful for the Government of the Presidency within which the Port is situated to nominate a proper person to act as Protector of Emigrants at the aforesaid Ports respectively.

V. And it is hereby enacted, that it shall not be lawful to convey any Emigrant, being a Native of India, who may embark for the purpose of laboring for hire in any of the Colonies of Jamaica, British Guiana or Trinidad from any of the Ports aforesaid in any Ship or Vessel unless a licence be obtained for carrying Emigrants in such Ship or Vessel from the Government of the Presidency in which the Port is situated. *A fee not exceeding* One Rupee per Emigrant as may be regulated from time to time by the local Government, shall be demandable in respect of every such licence, which fee shall be carried to the credit of the said Government, and the granting or withholding any such licence shall be entirely discretionary with the Government, and in consideration of such licence the Master of every Ship conveying or destined to convey Emigrants from India shall execute a Bond binding himself and his Owners in a penal sum of 10,000 Rupees to conform to the several conditions herein provided, and the said Bond shall be executed in duplicate that it may be put in suit either at the place of execution or in the Colony to which the Emigrants are to be conveyed, and one copy shall be forwarded to the Government of such Colony to be dealt with as the case may require. And every Ship or Vessel in which any such Emigrant shall be conveyed without a licence being obtained as aforesaid shall be liable to be forfeited, and the Master thereof shall be liable as for a misdemeanor in a fine of 1000 Rupees for every such Emigrant so illegally conveyed.

VI. And it is hereby enacted, that it shall not be lawful for the Master of any Vessel licensed as above to receive on board any Emigrant laborer, as above provided, unless such laborer shall have in his possession and show a Certificate or Pass to be given to him by the Emigration Agent of the Port, countersigned by the Protector, stating his name and the name of his father and his age, and certifying that having appeared before such Agent he has declared his willingness to proceed to work for hire in the Colony to which such Vessel is

bound and has been engaged by him as an Emigrant to such Colony on the part of the Government thereof.

VII. And it is hereby enacted, that before any Ship or Vessel so licensed to carry Emigrant laborers as above provided, shall be cleared out from any of the aforesaid Ports for any one of the three Colonies aforesaid, it shall be necessary for the Master of such Ship or Vessel, provided any Emigrant of the description aforesaid, shall embark therein to obtain from the Emigration Agent so nominated and authorized at such Port as aforesaid, a certificate under the hand of such Agent to the effect following, that is to say—

1st. 2dly. That all the directions contained in the 4th, 5th, 6th and 7th Articles of the said Schedule for ensuring the health and safety of Passengers have been duly complied with.

3dly. VIII. And it is hereby enacted, that the probable lengths of the voyages to Jamaica, British Guiana and Trinidad from the Ports aforesaid respectively shall for the purposes of this Act be deemed to be

And it is hereby enacted, that before any Ship or Vessel shall be cleared out from any of the aforesaid Ports for Jamaica, British Guiana or Trinidad, it shall be necessary for the Master thereof to deliver to the Emigation Agent, so nominated and authorized at such Port as aforesaid the list specified in Article 10 of the said Schedule, and to obtain such duplicate thereof as is required by the said Article.

X. And it is hereby enacted, that if the Master of any Ship or Vessel shall at any of the Ports aforesaid take on board such Ship or Vessel any Emigrant laborer of the description aforesaid, and shall clear such Ship or Vessel for Jamaica, British Guiana or Trinidad without having fully complied with every particular hereinbefore required previous to clearance he shall be liable on conviction before any Magistrate or Justice of the Peace in a penalty of 200 Rupees for every Emigrant laborer so taken on board his Ship or Vessel.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

Deputy Post Master.

Ditto of Benares ditto, ...	,,	1,800
Total Chests		5,800

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium to be offered for Sale at an Upset Price of Rupees 400 per Chest, and to be all sold to the highest bidder above that price.

3d.—If at the above Sale the entire quantity of 5,800 Chests shall not be sold, it shall subsequently be competent for the Board of Customs, Salt and Opium, to dispose of the lots which remain on hand at future Sales.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 1,000 Rupees per Lot or 200 Rupees per Chest, shall be made by the Purchaser in the Sale Room, and before the Lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Friday, the 10th January 1845, or, on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or Deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such Re-sale, shall be borne and paid by the Defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 10th January 1845, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 10th January, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within one Calendar month from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. 10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The Receipt for such Deposit will be granted only in the name of such Purchaser, and the Public Securities deposited will be returned when the clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a Deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to One Thousand Rupees per Lot, (or Two Hundred Rupees per Chest,) on each Lot so bid for.

12th.—The Purchaser of any Lot shall have the option of naming and purchasing in immediate succession any number of Lots of the same Agency Opium to the extent of Fifty Lots, and for the Lots so purchased the Purchaser shall Deposit 1,000 Rupees per Lot, and pay the same price per Chest as that for which he purchased his first Lot, provided always that there remain a sufficient number of Lots of that Opium to complete the said Fifty, but not otherwise.

13th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the Jurisdiction of the said Supreme Court shall be waived.

14th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertised for Sale.
No. 2.—Report of the Examination of such Opium.

15th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1843-44, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16th.—Four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—The Public are hereby informed, that *in addition to the quantity abovementioned*, the following quantities more or less of Behar and Benares Opium will be brought to Sale this year on or about the date specified.

If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 21,526 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale, at each or any of the five Sales abovementioned, but shall not pay for it within the prescribed period

of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

ARTICLE 6th —"With regard "to the Trade in Opium it is "agreed between the High Con- "tracting Parties that at each of the periodical Sales of "that Article there shall be reserved for the French Government and delivered upon requisition duly made by "the Agents of His Most Christian Majesty, or by the "persons duly appointed by them, the number of Chests "so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price "for the same shall be determined by the average rate at "which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of "Opium applied for at any one time shall not be taken on "account of the French Government, by the Agents of "His Most Christian Majesty, within the usual period of "delivery, the quantity so applied for, shall nevertheless "be considered as so much in reduction of the three hundred Chests herein before mentioned, the requisitions for "Opium, as aforesaid, are to be addressed to the Governor General at Calcutta, within thirty days after notice "of the intended Sales shall have been published in the "Government Gazette."

By Order of the Board of Customs, Salt and Opium,

H. TORRENS, *Secretary.*

NOTIFICATION.

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

III. And it is hereby enacted, that at each of the three Ports aforesaid, it shall be lawful for the Government of the Presidency within which the Port is situated, to authorize such persons as may be nominated by the Governments of Jamaica, British Guiana or Trinidad, to act as Emigration Agents at the aforesaid Ports respectively, and to exercise the powers conferred on Emigration Agents by this Act, and every such Emigration Agent shall make Monthly Reports to the Government to which he is subordinate of all matters transacted by him in pursuance of this Act.

IV. And it is hereby enacted, that at each of the three Ports aforesaid, it shall be lawful for the Government of the Presidency within which the Port is situated to nominate a proper person to act as Protector of Emigrants at the aforesaid Ports respectively.

V. And it is hereby enacted, that it shall not be lawful to convey any Emigrant, being a Native of India, who may embark for the purpose of laboring for hire in any of the Colonies of Jamaica, British Guiana or Trinidad from any of the Ports aforesaid in any Ship or Vessel unless a licence be obtained for carrying Emigrants in such Ship or Vessel from the Government of the Presidency in which the Port is situated. VII. And it is hereby enacted, that before any Ship or Vessel so licensed to carry Emigrant laborers as above provided, shall be cleared out from any of the aforesaid Ports for any one of the three Colonies aforesaid, it shall be necessary for the Master of such Ship or Vessel, provided any Emigrant of the description aforesaid, shall embark therein to obtain from the Emigration Agent so nominated and authorized at such Port as aforesaid, a certificate under the hand of such Agent to the effect following, that is to say—

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce, 1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces, 2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces, 3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

Deputy Post Master.

NOTIFICATION.

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

His removal to Rajmehaul and the lateness of the season prevented its being built before the rains, since completed. This is a progressive work, and will extend over a period of at least ten years, being about 126 miles of highway, 35 of which will be completed this year, i. e. before the rains. Now building and nearly complete. This has been thoroughly repaired and a new roof put up, the funds sanctioned were not required, the sale of the old rubbish having given sufficient proceeds. About 35 (some double arches) have been completed. This is a continuous work, two are completed every week. This is a most important work, not only for the preservation of the roads, but for the general salubrity of the Town. GENERAL REMARKS. On the Rajmehaul road there are about 600 men employed, three large Pucka Bridges are yearly completed, and the Road will be in thorough order from Colgong to Sultangunge before the rains, at which season it used to be under water. There will be three Nullahs remaining, over which no funds at the disposal of the Committee will suffice to erect Bridges. The

Bhaugulpore, ...					probable cost of such Bridges would be about 40,000 Rs. each, which if erected by Government, the cost might be defrayed in 5 or 6 years by the levying of tolls all the year round, when the tax might be given up. Without some such measure I fear these important public works will never be undertaken. The levy of toll being legalized, such works would offer a good investment for capital.	
Purneeah, ...	Two Bridges at Kali Jon, in the Dinagepore Road, between the Town and Harisdah, under the Orders of Government, No. 657, dated 26th June 1843. Four Pucka Drains on the Dak Road between Hardah Ghaut and Goondwarrah under the orders of Superintendent of Police L. P., No. 2276, dated 17th November 1842. One Pucka Bridge and two Pucka Drains on the Caragola Road, Government Order No. 657, dated 26th June 1843.	Four Pucka Wells require to be cleaned on the Road to Caragola, Superintendent of Police's orders, dated 27th September 1843. Two Bridges called Kali Jon on the Dinagepore Road between the Town and Harisdah. One Bridge on the Dak Road between Hurdah Ghaut and Goondwarrah. One Pucka Bridge and two Pucka Drains on the Caragola Road.	These two Bridges have not been commenced upon in consequence of the quantity of water collected in the Nullahs. It has since been ascertained that the Drain is not absolutely required. The Bridge and one large used Drain are in course of completion, the other Drain has not been commenced upon yet.	

	Five flat bottomed Boats for the Rivers and Nullahs between the sudder stations and Kishengunge, Superintendent of Police's letter No. 2276, dated 17th November 1842. One Bridge called Denti, on the Joonkee Road, Superintendent of Police's letter No. 2276, dated 17th November 1842.			Three Boats for the River and Nullah between the Sudder Station and Kishengunge. One Bridge called Denti, on the Joonkee Road.	These Boats have not yet been ordered, the Committee being desirous to ascertain first whether the two now in use will answer. This Bridge has not yet been commenced upon, and the reason is this, that the Road for several miles on either side of it has of late become so broken up, the Committee think it would be useless to lay out the funds until they can make the Road to it passable, which it is not at present. The bricks required for this Bridge are now making.

Pubnah, ...	"		"	In submitting this blank form for your inspection, I have only to state, that during the last half year, the Committee of this District has been totally disorganized either from the illness or resignation of its members. When Meetings have been called the number of Members has never been sufficient to form a quorum, and consequently nothing has been done. I may also add that the funds at our disposal are totally inadequate for undertaking any extensive work.

Khazanah Bridge. Sahebgunge Bridge. Bakra Bridge.	The request of the Committee to lay out Rupees 800 in wood when it was cheap and plentiful not having been granted, was the cause of delay in commencing the Khalahattee Bridge, as the estimates were drawn out according to an arrangement for purchasing timber in large quantity and getting it cheaper by so doing. None of the other Bridges were commenced upon during the last half year of 1843, as sanction to the estimate was not received till the end of December 1843.

"	The works contained in columns 2 and 3.	The delay in completing the work entered in column 2, has been owing to the difficulty in procuring bricks and a proper person to superintend the construction of the Bridges. A suitable Agent has now been engaged for the purpose, Wooden Bridges are in course of preparation under his supervision, a supply of bricks is about to be purchased, and such Drains and Bridges as require to be made pucka will be commenced upon.

Jessore, ...	No works have as yet been sanctioned in this District.	"	"	"	Till lately the Jessore Ferry Fund Committee were unable to commence any work in this district, all their surplus funds having been required to liquidate a debt of Rs. 10309-5-5 incurred by Captains Terraneau and Guthrie in repairing a road between Furreedpore and Mahommedpore, the expenses of which had been placed to the debit of the 7th Union, in which Jessore is included. As the Government have most liberally relieved the 7th Union of this debt, a more satisfactory statement of works commenced and completed, may be expected at the termination of the present half year.

And it is hereby enacted, that after the passing of this Act, Emigrant Laborers, being Native inhabitants of the Territories under the Government of the East India Company, shall be allowed to pass and to be conveyed to Jamaica, British Guiana, and Trinidad respectively, from the Ports of Calcutta, Madras and Bombay respectively, but not otherwise.

III. And it is hereby enacted, that at each of the three Ports aforesaid, it shall be lawful for the Government of the Presidency within which the Port is situated, to authorize such persons as may be nominated by the Governments of Jamaica, British Guiana or Trinidad, to act as Emigration Agents at the aforesaid Ports respectively, and to exercise the powers conferred on Emigration Agents by this Act, and every such Emigration Agent shall make Monthly Reports to the Government to which he is subordinate of all matters transacted by him in pursuance of this Act.

IV. And it is hereby enacted, that at each of the three Ports aforesaid, it shall be lawful for the Government of the Presidency within which the Port is situated to nominate a proper person to act as Protector of Emigrants at the aforesaid Ports respectively.

V. And it is hereby enacted, that it shall not be lawful to convey any Emigrant, being a Native of India, who may embark for the purpose of laboring for hire in any of the Colonies of Jamaica, British Guiana or Trinidad from any of the Ports aforesaid in any Ship or Vessel unless a licence be obtained for carrying Emigrants in such Ship or Vessel from the Government of the Presidency in which the Port is situated. VII. And it is hereby enacted, that before any Ship or Vessel so licensed to carry Emigrant laborers as above provided, shall be cleared out from any of the aforesaid Ports for any one of the three Colonies aforesaid, it shall be necessary for the Master of such Ship or Vessel, provided any Emigrant of the description aforesaid, shall embark therein to obtain from the Emigration Agent so nominated and authorized at such Port as aforesaid, a certificate under the hand of such Agent to the effect following, that is to say—

NOTIFICATION.

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,

Council of Education, the 15th September, 1844. *Secretary.*

13th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the Jurisdiction of the said Supreme Court shall be waived.

An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16th.—Four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

ORDERS BY THE RIGHT HON'BLE THE GOVERNOR OF BENGAL.

NOTIFICATION.

THE 27TH NOVEMBER, 1844.

The Right Hon'ble the Governor of Bengal directs the publication of the annexed Extract of a Dispatch from the Hon'ble Court of Directors, in the Revenue Department, No. 7 of 1844, dated the 2d ultimo—His Excellency, in deference to the wish expressed by the Hon'ble Court, has reconsidered that portion of the Orders of Government which directed that Mr. Staniforth's leave should be retrospectively cancelled from the 1st to the 26th December 1843; and although he has not found sufficient reason to enable him to concur in the doubts entertained by the Hon'ble Court of the strict conformity of those Orders to the Regulations in force, and deems them moreover fully justified by the circumstances of the case, yet he is not disposed to withhold the indulgence which, from the tenor of their Dispatch, His Excellency understands the Hon'ble Court are not unwilling to accord, and has therefore been pleased to permit Mr. Staniforth to draw his salary as Special Commissioner of Cuttack, on sick leave, for the period in question.

Extract from a Dispatch from the Hon'ble the Court of Directors, in the Revenue Department, No. 7 of 1844, *dated 2d October.*

Para. 1. With your Letter, dated the 20th April last, (No. 8,) you have transmitted a Memorial from Mr. John Staniforth, of your Civil Establishment, praying that "His Pay from the 1st to "the 26th December be restored to him, and that "he be reinstated in the Office of Special Com- "missioner of Cuttack, receiving the allowances "of that appointment from the date of his "removal."

2. The facts of the case are briefly these: on the 27th November 1843, Mr. Staniforth, Special Commissioner in Cuttack, received leave of absence, on Medical Certificate, for one year, to visit the Hills, being at the same time informed that except in case of absolute necessity, he was not to quit his station until the arrival of the Officer who might be appointed to relieve him; Mr. Staniforth, however, immediately made over charge of his office to the Judge, forwarding a Medical Certificate to the effect that "it was necessary that "he should leave that part of the Country and "proceed towards the Hills, with as little delay as "possible." Mr. Staniforth is stated to have reached the Presidency on the 6th December, and on the 26th of that month, he was apprised that it had come to the knowledge of the Deputy Governor, that he was still at Calcutta, and that he had the "intention of remaining there during the "Races, at which he had horses to run, that such "a proceeding was an abuse of the indulgence "which had been extended to him, and that he "would consequently be considered absent with- "out leave from the date of his departure from "Cuttack."

3. On the same day Mr. Staniforth has applied for leave to proceed to the Cape of Good Hope, on Medical Certificate, and to reside there for eighteen months, and on the 30th December, leave of absence for eighteen months from the 26th was granted, and it was at the same time

intimated to him that he was expected to lose no time in embarking for his destination.

On the 9th February, Mr. Staniforth was called on to explain why he was still in Calcutta, seven weeks having elapsed since he had received leave to the Cape, and nearly two months and a half since his arrival at the Presidency, and the explanation which he submitted being deemed "totally inadmissible," he was informed that in order to mark "the displeasure of Government at such "misconduct, and to deter others from following "so bad an example," it had been resolved to remove him from the office of Special Commissioner of Cuttack, and to appoint him Civil and Sessions Judge of Tipperah.

4. Mr. Staniforth now appeals to us against the retrenchments of his allowances, from the 1st to the 26th December 1843, and against his removal to an office the emoluments of which are less by Rupees 500 per month, than those of the appointment from which he was removed.

5. We have considered the matters set forth by Mr. Staniforth in justification, or rather in extenuation of his conduct, and we cannot but regard the whole circumstance attending his coming to Calcutta, his remaining there for an unnecessarily long period, and allowing several eligible opportunities of embarking for the Cape, to pass without taking advantage of them, to have been an abuse of the indulgence which had been extended to him, and justly deserving of censure and punishment.

6. We doubt however whether under a strict interpretation of the regulations, you were justified in treating Mr. Staniforth as being absent without leave from the 1st to the 26th December 1843, and in muleting him of his allowances for that period, and we desire that this part of the case may be reconsidered; but we see no reason to interfere with the discretion which you exercised in removing him from the Office of Special Commissioner of Cuttack to that of Civil and Sessions Judge of Tipperah.

Secy. to the Govt. of Bengal.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

NOTIFICATION.

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,
Secretary.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,

Deputy Post Master.

General Post Office, The 8th February, 1844.

IT is hereby notified that, unless marked for particular Ships, all Letters received at the General Post Office between Monday the 25th November and Sunday the 1st December, both dates inclusive, were despatched by the undermentioned Vessels, which sailed from Calcutta on dates specified:

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. No. 2.—Report of the Examination of such Opium.

15th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for

the year 1843-44, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16th.—Four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 21,526 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale, at each or any of the five Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

ARTICLE 6th.—"With regard "to the Trade in Opium it is "agreed between the High Con- "tracting Parties that at each of the periodical Sales of "that Article there shall be reserved for the French Go- "vernment and delivered upon requisition duly made by "the Agents of His Most Christian Majesty, or by the "persons duly appointed by them, the number of Chests "so applied for, provided that such supply shall not ex- "ceed three hundred Chests in each year, and the price "for the same shall be determined by the average rate at "which Opium shall have been sold at every such periodi- "cal Sale, it being understood that, if the quantity of "Opium applied for at any one time shall not be taken on "account of the French Government, by the Agents of "His Most Christian Majesty, within the usual period of "delivery, the quantity so applied for, shall nevertheless "be considered as so much in reduction of the three hun- "dred Chests herein before mentioned, the requisitions for "Opium, as aforesaid, are to be addressed to the Gover- "nor General at Calcutta, within thirty days after notice "of the intended Sales shall have been published in the "Government Gazette."

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce, 1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces, 2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces, 3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

Deputy Post Master.

The Collector has no objection to pass Packages, which are intended for private use, and not for Sale unopened—provided that at the time they are applied for, satisfactory proof of their contents in the shape of Invoices, Bills, or Letters of Advice are produced. In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

NOTIFICATION.

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,

Council of Education, the 15th September, 1844. } *Secretary.*

All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

Deputy Post Master.

NOTIFICATION.

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,
Secretary.

Council of Education, the 15th September, 1844.

FORT WILLIAM,
CIVIL AUDITOR'S OFFICE,
THE 17TH DECEMBER, 1844.

NOTICE.

The Civil Auditor again requests the attention of the several Functionaries to his Notice published in the Calcutta Gazette of 25th November 1843, page 1137.—The almost total disregard of it, occasions much correspondence, and necessarily delays prompt audits of the Abstracts. If every presiding Functionary would be careful to submit with his Abstracts of Establishments, Certificates of departure and return of his uncovenanted Absentees, the evils of delaying audit, and uselessly multiplying labor, would be avoided. If this call be not attended to, this Office has no alternative but to extract the information by much writing, and has had not unfrequently to make retrenchments months after the proper time has passed.

W. H. BELLI,
Civil Auditor.

GOVERNMENT having occasion for the services of several Assistants in the Department of Public Works, persons qualified to discharge the duties of a Civil Engineer, who are desirous of employment in the Department, are invited to make early personal application to the Secretary Military Board, at the Board Office, on any day between the hours of 10 and 11 A. M., or 3 and 5 P. M, when further information will be afforded.

No. 2.—Report of the Examination of such Opium.

15th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1843-44, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16th.—Four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shown to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—The Public are hereby informed, that *in addition to the quantity abovementioned*, the following quantities more or less of Behar and Benares Opium will be brought to Sale this year on or about the date specified.

	Behar about Chests.	Benares about Chests.	Total about Chests.
On or about February 10th...	1,800	850	2,650
On or about April 21st	3,600	1,500	5,100
On or about May 26th	1,800	850	2,650
On or about June 29th	3 685	1,641	5,326
	10,885	4,841	15,726

18th —It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or Persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale, at the five Sales in the months of January, February, April, May and June, there shall be delivered to them at the average of the particular Sale or Sales, to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within 30 days after the publication of this Advertisement specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 21,526 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale, at each or any of the five Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

ARTICLE 6th —"With regard "to the Trade in Opium it is "agreed between the High Con- "tracting Parties that at each of the periodical Sales of "that Article there shall be reserved for the French Go- "vernment and delivered upon requisition duly made by "the Agents of His Most Christian Majesty, or by the "persons duly appointed by them, the number of Chests "so applied for, provided that such supply shall not ex- "ceed three hundred Chests in each year, and the price "for the same shall be determined by the average rate at "which Opium shall have been sold at every such periodi- "cal Sale, it being understood, that, if the quantity of "Opium applied for at any one time shall not be taken on "account of the French Government, by the Agents of "His Most Christian Majesty, within the usual period of "delivery, the quantity so applied for, shall nevertheless "be considered as so much in reduction of the three hun- "dred Chests herein before mentioned, the requisitions for "Opium, as aforesaid, are to be addressed to the Gover- "nor General at Calcutta, within thirty days after notice "of the intended Sales shall have been published in the "Government Gazette."

By Order of the Board of Customs, Salt and Opium,

H. TORRENS, *Secretary.*

NOTIFICATION.

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

CIVIL AUDITOR'S OFFICE,
THE 17TH DECEMBER, 1844.

NOTICE.

The Civil Auditor again requests the attention of the several Functionaries to his Notice published in the Calcutta Gazette of 25th November 1843, page 1187.—The almost total disregard of it, occasions much correspondence, and necessarily delays prompt audits of the Abstracts. If every presiding Functionary would be careful to submit with his Abstracts of Establishments, Certificates of departure and return of his uncovenanted Absentees, the evils of delaying audit, and uselessly multiplying labor, would be avoided. If this call be not attended to, this Office has no alternative but to extract the information by much writing, and has had not unfrequently to make retrenchments months after the proper time has passed.

W. H. BELLI,
Civil Auditor.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

The Collector has no objection to pass Packages, which are intended for private use, and not for Sale unopened—provided that at the time they are applied for, satisfactory proof of their contents in the shape of Invoices, Bills, or Letters of Advice are produced. In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

NOTIFICATION.

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,

NOTIFICATIONS.

The following Extract from the Proceedings of the Right Hon'ble the Governor of Bengal, dated the 18th December 1844, is published for general information:

"The Right Hon'ble the Governor of Bengal observes that the Gentlemen named in the margin* having failed to obtain Furloughs in 1838-39, were allowed to go to England, and there await their turn.

* Mr. W. J. H. Money.
Mr. N. B. Edmonstone.
Mr. B. J. Colvin.
Mr. P. C. Trench.

"Under orders of the Court of Directors, dated 29th July 1840, extra furloughs were allotted to those Gentlemen, in the season 1840-41, on condition that no additional charge should be thereby occasioned; but these extra furloughs took effect from 1838-39, and were reckoned to have expired in 1841-42, so that the aggregate number of Servants absent on furlough during 1838-39 and 1839-40, was four in excess of what it ought to have been, that is to say, 55, instead of 51. But the necessity of holding these four furloughs vacant for two years, in order to compensate the East India Company was overlooked when they expired in 1841-42, and they were accordingly allotted to the four Gentlemen noted in the margin.*

* Mr. J. R. Colvin.
Mr. C. J. H. Graham.
Mr. E. Thornton
Mr. J. C. Dick.

"The mistake was however, discovered in 1842-43, and then it was ordered that the furloughs of the last mentioned Gentlemen should be held vacant on expiry for a period equal to that during which the furloughs of Messrs. Money, Edmonstone, B. J. Colvin and Trench, ought to have been held vacant on their expiry in 1841-42.

"The furloughs held vacant will not, under this restriction, become available until the following dates:

Mr. J. R. Colvin, ... 8th Decr. 1846.
Mr. C. J. H. Graham, ... 2d Jany. 1847.
Mr. E. Thornton, ... 26th Decr. 1846.
Mr. J. C. Dick, ... 31st Decr. 1846."

THE 21ST DECEMBER, 1844.

Mr. W. Bell, Officiating Collector of Behar, assumed charge of the Collectorate from Mr. J. Reid on the 13th instant.

Mr. E. A. Samuells, Magistrate of Tirhoot, resumed charge of his office from Mr. A. R. Young on the 12th instant.

Mr. B. J. Colvin, Superintendent of Settlements of Patna and Behar, made over charge of the current duties of his office to Mr. Uncovenanted Deputy Collector C. J. Muller on the 10th instant.

Mr. R. H. Russell, Officiating Magistrate of East Burdwan, made over temporary charge of the Magistracy to Mr. Assistant A. Pigou on the 17th instant.

Mr. H. B. Brownlow, Civil and Sessions Judge of Cuttack, on leave to the Cape of Good Hope, embarked on board the "Wellesley," which vessel was left by the Pilot on the 13th instant.

FORT WILLIAM,
CIVIL AUDITOR'S OFFICE,
THE 17TH DECEMBER, 1844.

NOTICE.

The Civil Auditor again requests the attention of the several Functionaries to his Notice published in the Calcutta Gazette of 25th November 1843, page 1137.—The almost total disregard of it, occasions much correspondence, and necessarily delays prompt audits of the Abstracts. If every presiding Functionary would be careful to submit with his Abstracts of Establishments, Certificates of departure and return of his uncovenanted Absentees, the evils of delaying audit, and uselessly multiplying labor, would be avoided. If this call be not attended to, this Office has no alternative but to extract the information by much writing, and has had not unfrequently to make retrenchments months after the proper time has passed.

W. H. BELLI,
Civil Auditor.

GOVERNMENT having occasion for the services of several Assistants in the Department of Public Works, persons qualified to discharge the duties of a Civil Engineer, who are desirous of employment in the Department, are invited to make early personal application to the Secretary Military Board, at the Board Office, on any day between the hours of 10 and 11 A. M, or 3 and 5 P. M, when further information will be afforded.

By order of the Military Board,

G. T. GREENE,
Secretary.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees,..... ..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

General Post Office,
The 8th February, 1844.

IT is hereby notified that, unless marked for particular Ships, all Letters received at the General Post Office between Monday the 16th December and Sunday the 22d December, both dates inclusive, were despatched by the undermentioned Vessels, which sailed from Calcutta on dates specified:

Great inconvenience having been experienced in the adjustment of the Steam Accounts, in consequence of many Shippers of Goods delaying payment of their Freight Bills, and Government having determined upon despatching four Steamers in each month, it is hereby requested, with a view to facilitate the closing of each despatch respectively, that all Freight Bills be settled immediately on presentation.

It is also notified, that Packages brought down by the Steamers, "Bearing Freight," shall be delivered only on payment of the Freight Money due thereon.

NOTIFICATION.

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

18th.—It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or Persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale, at the five Sales in the months of January, February, April, May and June, there shall be delivered to them at the average of the particular Sale or Sales, to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within 30 days after the publication of this Advertisement specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 21,526 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale, at each or any of the five Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself [redacted] of disposing of the Opium, which the French may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

ARTICLE 6th.—"With regard "to the Trade in Opium it is "agreed between the High Con- "tracting Parties that at each of the periodical Sales of "that Article there shall be reserved for the French Go- "vernment and delivered upon requisition duly made by "the Agents of His Most Christian Majesty, or by the "persons duly appointed by them, the number of Chests "so applied for, provided that such supply shall not ex- "ceed three hundred Chests in each year, and the price "for the same shall be determined by the average rate at "which Opium shall have been sold at every such periodi- "cal Sale, it being understood that, if the quantity of "Opium applied for at any one time shall not be taken on "account of the French Government, by the Agents of "His Most Christian Majesty, within the usual period of "delivery, the quantity so applied for, shall nevertheless "be considered as so much in reduction of the three hun- "dred Chests herein before mentioned, the requisitions for "Opium, as aforesaid, are to be addressed to the Gover- "nor General at Calcutta, within thirty days after notice "of the intended Sales shall have been published in the "Government Gazette."

FORT WILLIAM, *27th December*, 1844.

No. 357 of 1844.—The Right Hon'ble the Governor General in Council has received from the Commander in Chief in India, Copy of His Excellency's General Orders containing Extract Proceedings of a General Court Martial assembled at Sukkur on the 14th ultimo, for the trial of Lieutenant Colonel Moseley, C. B., recently in Command of the 64th Native Infantry, with the approval and confirmation of the Sentence of the Court by which that Officer has been adjudged to be cashiered.

The trials arising out of the misconduct of the Regiment having terminated and the discipline of the Army having been vindicated by the punishment of the guilty, the Governor General in Council deems it proper to convey the Orders of the Government through the Commander in Chief of India, that the Colors of the 64th Regiment may be restored as soon as Major General Sir Charles Napier, G. C. B., Commanding the Forces in Scinde, shall be of opinion that the Regiment has returned to such a sound state of discipline as to justify the Governor General in Council in again confiding to it, these emblems of a Regiment's Honor, Fidelity and Valour.

The Governor General in Council had delegated to His Excellency Sir Charles Napier the Powers of the Supreme Government to disband the Regiment, if necessary, in consequence of the state of utter disorganization into which it had fallen by the misconduct of its Commanding Officer and by its own reckless career in Insubordination and Crime.

In the exercise of this power thus specially entrusted to him Sir Charles Napier authorized Major General Hunter to deprive the Regiment of its Colors, a punishment, which every brave Soldier must feel to be most severe, but which in this instance was most justly deserved. Under the same authority from the Governor General in Council, 69 Men of bad character have been very properly dismissed the Service.

The Governor General in Council desires that whenever Major General Hunter, Commanding in Upper Scinde, shall be instructed by Sir Charles Napier to place the Colors in the hands of the Officer Commanding the Regiment on its own parade, he will distinctly explain the course by which Soldiers can lawfully seek the redress of any grievance whether real or imaginary without assuming the right of judging and acting for themselves:—that if they do attempt to resist superior authority the same fatal consequences will inevitably follow—an ignominous death to the most guilty, ruin and disgrace to their convicted confederates—and loss of reputation to the whole Regiment.

The proper Tribunal has administered the Law with firmness and judgment—the Officer Commanding in Upper Scinde, Major General Hunter has performed his Duty with the resolution and judgment which belong to an able Officer—the Most Guilty have paid the forfeit of their Lives—the bad men have been dismissed, and from the day on which the Colors are restored, the Governor General in Council expects that the future Conduct of the Regiment will justify this act of grace—it is conferred as the bond of the returning confidence of the Government in the Allegiance of the Regiment to the State—and as the renewed pledge of its obedience to the Commander in Chief and to all Superior Authorities. The Governor General in Council trusts that every man as he marches under his restored Banners, will remember that he is bound by a Solemn Oath to be a valiant defender of his Colors—to never abandon those Colors—to march wherever directed whether within or beyond the Company's Territories, and to be a good Soldier and a faithful Servant of the Company.

CIVIL AUDITOR'S OFFICE,
THE 17TH DECEMBER, 1844.

NOTICE.

The Civil Auditor again requests the attention of the several Functionaries to his Notice published in the Calcutta Gazette of 25th November 1843, page 1137.—The almost total disregard of it, occasions much correspondence, and necessarily delays prompt audits of the Abstracts. If every presiding Functionary would be careful to submit with his Abstracts of Establishments, Certificates of departure and return of his uncovenanted A[redacted] of delaying audit, and uselessly m[redacted]ld be avoided. If this call be n[redacted] this Office has no alternative but to extract the information by much writing, and has had not unfrequently to make retrenchments months after the proper time has passed.

W. H. BELLI,
Civil Auditor.

GOVERNMENT having occasion for the services of several Assistants in the Department of Public Works, persons qualified to discharge the duties of a Civil Engineer, who are desirous of employment in the Department, are invited to make early personal application to the Secretary Military Board, at the Board Office, on any day between the hours of 10 and 11 A. OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

Wm. MOORE,
Deputy Post Master.

NOTIFICATION

AN Examination will be held on the [illegible]ay of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,
Secretary.

Council of Education, the 15th September, 1844.

VII. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall also extend to the recovery of the unliquidated Balance of a Partnership Account, to the extent of Five Hundred Company's Rupees if the Plaintiff shall be content to limit his claim to the recovery of that amount.

VIII. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall also extend to the recovery, against any Executor or Administrator or other Representative of any deceased testate, or intestate person of any demand not exceeding the amount of Five Hundred Company's Rupees for any distributive share of any property under an intestacy, or of any legacy, or residue or share of a residue, under a Will, if the plaintiff shall be content to limit his claim to the recovery of that amount in respect of such share or residue or legacy, provided always, that the said Court by this Act established shall not have jurisdiction over any such demand for such share, residue or legacy if any suit shall at the time of preferring such demand be pending in the said Supreme Court for the Administration of the Estate, out of which such share, residue or legacy is demandable.

IX. And it is enacted, that it shall not be lawful for any plaintiff to divide any cause of action into two or more suits for the purpose of bringing the same within the jurisdiction of the said Subordinate Civil Court; but any plaintiff having cause of action for debt or damages above the value recoverable under this Act may abandon the excess, and thereupon such plaintiff shall on proving his case have a decree for an amount not exceeding such value, and such decree shall be in full discharge of all demands in respect of such cause of action.

X. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall, as regards the persons to be subject thereto, extend to all persons inhabiting or seeking a livelihood within the City of Calcutta.

XI. And it is enacted, that the said Court shall on all purely legal demands for which an Action at Law is maintainable, decide according to the Law to be administered in the Supreme Court, in the like cases between the like parties, provided that the defendant may in any Action for such legal demand allege and establish an equitable defence, and thereupon the said Court shall by its decree give the defendants the benefit of such defence to the same extent and upon the same principles of Equity as would be applied in the like case by the said Supreme Court on its Equity side, provided that such defence shall not involve a cross demand to an extent exceeding the sum of One Thousand Company's Rupees.

XII. And it is enacted, that the said Subordinate Civil Court shall exercise all the powers which are exercised by Her Majesty's Supreme Court of Judicature in the issuing of process, and summoning and compelling the attendance of witnesses and the administering of oaths or solemn declarations and for punishing contempts, and all other powers which are exercised by the said Supreme Court for trial and determination and execution in Actions at Law, and that the said Subordinate Civil Court shall have and use an Official Seal.

XIII. And whereas it is conducive to the good administration of Justice that the respectable part of the public should be associated therein: It is hereby enacted, that the Governor General in Council may, by Proclamation, order that every or any Commissioner of the said Subordinate Civil Court shall, in all suits, or in any particular class of suits, and in all proceedings therein or in any particular proceeding therein, sit with one or more Jurors, and may in the said Proclamation lay down rules for the selection, summoning and compelling attendance of the said Jurors, and for enforcing the performance of their duty by such Jurors.

XIV. Provided always and it is hereby enacted, that the verdict of such Juror or Jurors shall be only for the information of the Conscience of the Court.

XV. And it is enacted, that the manner of commencing a suit in the said Subordinate Civil Court shall be as follows:

1. Each of the Commissioners of the said Subordinate Civil Court shall sit at stated hours for the purpose of receiving plaints.

2. Every plaintiff bringing a suit in the said Subordinate Civil Court shall, except as hereinafter excepted, appear in person before one of the Commissioners, and shall, orally or in writing, lay before such Commissioner the facts which constitute his claim.

3. The excepted cases in which the plaintiff shall be excused from appearing in person for the purpose of making the statement of facts mentioned in the last Clause, are the same as the excepted cases specified in Clause 15 of this Section, but the plaintiff shall in all cases be permitted to make the statement of facts, by an Agent provided he deposit in Court the sum of Fifty Company's Rupees.

4. The sum so deposited shall be held as a security for any sum or such part thereof as it will cover, which may be, or which may become due to the defendant, or to the Government, in respect of the matter of the suit, or in respect of the mode of conducting it: if nothing shall so be, or become due, the sum shall be repaid to the plaintiff.

5. If the plaintiff lays the facts before the Commissioner orally, the facts whether stated of his own accord or elicited by examination shall be reduced into form and written down by the Commissioner or by an Officer of the Court under his direction, and shall constitute the plaint.

6. If the plaintiff lays the facts before the Commissioner in writing, the written statement shall be corrected in form by the Commissioner, or by an Officer of the Court under his direction, if it requires such correction, and in substance if it in any respect disagrees with the statement of facts elicited by the examination of the plaintiff; subject to such correction the written statement shall constitute the plaint.

7. When the statement of facts constituting the plaint has been made, the Commissioner, if he is of opinion that the defendant or the matter of the suit is not within the jurisdiction of the Subordinate Civil Court, shall make a decree accordingly.

8. If the Commissioner is of opinion that the defendant and the matter of the suit are within the jurisdiction of the Subordinate Civil Court, he shall direct a writ of summons to be issued to the defendant.

9. The writ of summons shall contain a copy of the plaint, and an order to the defendant to appear before the Court on a specified day, and to bring with him any documents which he may have in his possesssion, of which the plaintiff, with the consent of the Commissioner, demands inspection, or which he the defendant may think conducive to his defence, and a list of such witnesses as he supposes may be necessary for his defence.

10. If the plaintiff satisfies the Commissioner that the defendant is likely to withdraw himself from the jurisdiction of the Subordinate Civil Court, the Commissioner may direct a warrant of arrest against the defendant to be issued together with the writ of summons.

11. If the defendant is arrested on the warrant he shall be brought with all convenient speed before the Commissioner, who may discharge him from custody if he gives sufficient security for his appearance, or if he deposits a sum which the Commissioner considers under all the circumstances of the case sufficient, or if he satisfies the Commissioner that he does not intend to withdraw himself from the jurisdiction.

12. On every day in which any of the Commissioner shall sit for the purpose of receiving plaints, all the plaints received shall be laid before the Chief Commissioner, who will distribute them among all the Commissioners, including himself.

13. In distributing the plaints the Chief Commissioner will endeavonr to give to all the Commissioners a share of business which will occupy an equal portion of the time of each, and to give to each Commissioner those kinds of suits which he thinks each best qualified to decide.

14. Every plaintiff and defendant in the said Subordinate Civil Court shall appear except as hereinafter excepted in person, on the day specified in the writ of summons, and on every other day fixed for the appearance by the Commissioner.

17. Whenever an Agent has been admitted in place of a party, such Agent shall be permitted to do all that the party might have done had he appeared, and shall be liable to be examined and cross examined in the same manner.

18. And the Commissioner may if he thinks fit order that the party excused shall be examined in any way in which a witness may be examined.

XVI. And it is hereby enacted, that as soon as the plaintiff and defendant are together before the Commissioner to whom the suit has been assigned, he shall proceed to take the pleadings and settle the demurrers and issues of fact.

XVII. And it is hereby enacted, that the manner of pleading shall be as follows.

1. 3. The defendant shall not be precluded from demurring to any matter in the plaint because he has pleaded to it, nor shall he be precluded from pleading to any matter in the plaint because he has demurred to it.

VII. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall also extend to the recovery of the unliquidated Balance of a Partnership Account, to the extent of Five Hundred Company's Rupees if the Plaintiff shall be content to limit his claim to the recovery of that amount.

VIII. XXXI. And it is enacted, that the said Supreme Court shall at its discretion grant or refuse any such Rule.

II. And it is enacted, that every writ of summons which shall be issued from the said Court shall express that if the defendant shall not appear at the time mentioned in the said summons the suit will be proceeded with against him not appearing as aforesaid in his absence, and that the property of such defendant not appearing as aforesaid may be sequestered.

III. And it is enacted, that it shall be lawful for the said Court upon the application of the plaintiff in the case of such defaults of appearance as are hereinbefore mentioned upon proof of the demand by affidavit or solemn affirmation or otherwise to the satisfaction of the said Court, to award and issue a writ of sequestration against the property of such defendant which said writ shall have the like operation and effect, and be dealt with by and under the order of the said Court in like manner to all intents and purposes as is by the said Charter directed as to writs of sequestration except so far as the provisions of the said Charter as to such writs of sequestration are varied by this Act, and then in the case of such variations to be dealt with under the provisions of this Act and of the said Charter; and if judgment shall pass for the plaintiff in the said suit, the said Court is hereby authorized and empowered to award and issue a writ to the Sheriff or other Officer to whom the process of the Court may be directed, commanding him to sell or otherwise dispose of the said property according to the nature thereof so seized and sequestered, and to make satisfaction out of the same or out of the produce thereof according to the nature thereof to the plaintiff for the amount of the judgment so recovered with his costs, and to return the surplus, if any there be, after satisfying the said judgment and costs, and the expenses of the said sequestration, to the person or persons in whose possession the said property was seized, or otherwise to reserve it for the said defendant as occasion shall require; and if such property shall not be sufficient to produce after defraying the expenses of such sequestration the amount of the judgment and the said costs, the said Court is further empowered to award and issue such process of execution for the deficiency as is by the said Charter provided for levying money recovered by judgment and costs; and if judgment shall pass for the defendant against whom such sequestration shall have issued the said Court is authorized

and empowered to award, and order the costs of the said suit and the expense of the said sequestration incurred by such defendant, and all other damages occasioned thereby to be paid by the plaintiff to such defendant as aforesaid, or his or their Attorney, or the person or persons in whose possession the said property was seized or otherwise as the said Court shall order, and the same shall be levied by such process as in the said Charter is provided for levying costs.

IV. And whereas by the Law of England the practice of arrest upon mesne process has been abolished except in certain cases, and it is desirable to assimilate the practice of the said Supreme Court on the plea side thereof to the Law of England in this respect with a due allowance for differing circumstances—It is therefore enacted, that no person shall be arrested upon mesne process in any civil action, whether commenced before or after the time appointed for the commencement of this Act as hereinafter provided, under any writ issuing out of the said Court on its plea side except in the cases by this Act provided and allowed.

V. And it is enacted, that if a plaintiff in any action in which the defendant was liable to be arrested on mesne process under the law in force, at the time appointed for the commencement of this Act shall by the affidavit or solemn affirmation of himself, or of any other person, shew to the satisfaction of the said Court or of a Judge thereof that such plaintiff has a cause of action against the defendant to the amount of Company's Rupees four hundred or upwards, or has sustained damage to that amount, or if he shall by like affidavit or affirmation to be filed as aforesaid verify to the satisfaction of the said Court a case of such enormous personal wrong as in the judgment of the said Court requires such security; and that there is probable cause for believing that the defendant against whom the application is made is about to go out of the jurisdiction of the said Court unless he be forthwith arrested, or that such defendant has made or is about to make any fraudulent disposition of his property with a view to defeat or delay his creditors in general, or the plaintiff in particular, or that such defendant has evaded the service of process in the said cause, it shall be lawful for the said Court, or any Judge thereof, by a special order, to direct that such defendant shall be held to bail for such sum as such Court or Judge shall think fit not exceeding the amount of the debt or damages, and thereupon it shall be lawful for such plaintiff to sue out a writ of capias against any such defendant so directed to be held to bail, which writ of capias shall bear date on the day on which the same shall be issued.

VI. And it is enacted, that the Sheriff or other Officer to whom any such writ shall be directed shall arrest the defendant thereupon, and such defendant shall when so arrested remain in custody till he shall have given a bail bond to the Sheriff, or shall have made deposit of the sum endorsed on such writ of capias, together with a sum for costs, including the execution of the said writ according to the practice of the said Court on its plea side for the time being, and all subsequent proceedings as to putting in and perfecting special bail, or of making deposit and payment of money into Court instead of putting in and perfecting special bail shall be according to the like practice of the said Court, or as near thereto, as the circumstances of the case will admit.

VII. And it is enacted, that any such special order may be made and the defendant arrested in pursuance thereof in any action whether commenced before or after the time appointed for the commencement of this Act at any time after the commencement of such action and before final judgment shall have been obtained therein, and that a defendant in custody upon any such arrest and not previously served with a copy of the writ of summons shall be lawfully served therewith.

VIII. And it is enacted, that it shall be lawful for any person arrested upon any such writ of capias to apply at any time after such arrest to the said Court, or any Judge thereof, for an order or rule on the plaintiff in such action to shew cause why the person arrested should not be discharged out of custody; and that it shall be lawful for such Court or Judge to make absolute or discharge such order or rule, and to direct the costs of the application to be paid by either party, to make such other order therein as to such Court or Judge shall seem fit, provided that any such order made by a Judge may be discharged or varied by the Court on application made thereto by either party dissatisfied with such order.

IX. And it is enacted, that when any sequestration shall have issued in any action whether commenced before or after the time appointed for the commencement of this Act against any defendant, and the said defendant shall appear to the said action, it shall be lawful for the said Court, or any Judge thereof, to order that the said sequestration shall stand as a security for the debt and costs to be incurred in such action, or to order that the same be set aside on payment of the costs of such sequestration incurred by the plaintiff, and on the said defendants putting in and perfecting bail to the action, or on his making such deposit and payment in lieu of bail as by the practice of the said Court for the time being shall be required, and thereupon all subsequent proceedings as to the putting in and perfecting special bail, or of making deposit and payment of money into Court instead of putting in and perfecting special bail, and as to surrendering the defendant in discharge of bail, and taking the defendant for the

purpose of such surrender, and all other proceedings touching the premises shall be had according to the practice of the said Court on its plea side for the time being in like cases, or as near thereto as the circumstances of the case will admit.

X. And whereas it is desirable to amend the provisions in the said Charter contained as to the writs of Fieri Facias and Sequestration, and to extend the operation of such writs to be sued out after the time appointed for the commencement of this Act so as to embrace other property besides that which might before the time aforesaid have been seized, taken and sold under such writs respectively; and any writ of Venditioni Exponas issued to complete the execution thereof respectively, and to remove any doubts as to what property may be so seized, taken and sold—It is declared and enacted, that Money and Bank Notes, Notes issued for the payment of money by the East India Company, commonly called Company's Paper, Bills of Exchange, Promissory Notes, Bankers' Cheques, Money Bonds, Specialties for payment of money, or other securities for payment of money, whether such bonds, specialties or other securities be payable on a contingency or otherwise the property of the person against whom any such writ shall be issued whether in any action commenced before or after the time appointed for the commencement of this Act; and all other debts and claims for the payment of money whether the same shall be then due and payable, or to become due and payable at some future time or times, the property of the said person against whom such writ shall have issued shall and may be seized and taken under any such writ as aforesaid in such action as aforesaid; and when any Money or Bank Notes shall be so seized and taken the said Sheriff or other Officer to whom any such writ shall be directed shall and may under any such writ retain so much of such Money or Bank Notes as may be necessary to discharge his own claim for poundage, fees, or other costs, charges and expences of such execution, and shall and may pay or deliver to the party suing out such writ, so much of the said Money and Bank Notes as may be sufficient to discharge such execution, and when any other of the property aforesaid shall be seized and taken the said Sheriff or other Officer shall proceed in all respects in the execution of such process as to such property in like manner as is by the said Charter, and by the practice of the said Court directed and required as to debts seized under such process as aforesaid except where the said mode of procedure is varied by this Act, and from the time of such seizure all sums of money due or to become due on any of the said hereinbefore mentioned instruments so seized as aforesaid, or due or to become due in respect of any debts or claims whether seizable under the Charter, or under the provisions of this Act, and so seized as aforesaid, shall be paid and payable in such manner and form and no other as the said Supreme Court of Judicature at Fort William in Bengal, when the same shall be extended and returned into the said Court shall appoint, and such payment and no other shall form thenceforth be an absolute and effective discharge of the said sums of money and every of them respectively; and it shall not be lawful for the said Sheriff or other Officer to sell any of the said property hereinbefore mentioned, including therein debts seizable under the provisions of the said Charter so seized as aforesaid without the special order of the Court, and the said Sheriff or other Officer shall have power to sue in his own name to recover the money payable on such Notes, Bills of Exchange, Promissory Notes, Bankers' Cheques, Money Bonds, Specialties or other securities as aforesaid, and to recover the amount of such debts or claims as aforesaid, and the said Court shall have power to make such orders in the matters of such executions, and to make such alterations in the forms of the said writs as may be necessary to give effect to the provisions of this Act hereinbefore and hereinafter contained in respect of such executions, and to frame, if necessary, any new writ or writs for such purpose provided that no such Sheriff or other Officer shall be bound to sue any party liable upon any such Note, Bill of Exchange, Promissory Note, Cheque, Bond, Specialty, or other security, or liable in respect of such debt or claim as aforesaid unless the party suing out such execution shall enter into a Bond with two sufficient sureties for indemnifying him from all costs and expences to be incurred in the prosecution of such action, or to which he may become liable in consequence thereof, the expense of such Bond to be deducted out of any money to be recovered in such action. And it is enacted, that if any person against whom any such writ as aforesaid shall be issued out of the said Court in any action whether commenced before or after the time appointed for the commencement of this Act shall have any share of, or in any public Company within the reach of the process of the said Court, whether such Company be incorporated or not, standing in his name in his own right, or in the name of any person in trust for him, or shall be entitled to any sum of money in the said Court, or in the hands of any Receiver appointed by the said Court, it shall be lawful for the said Court, or any Judge thereof, on the application of the execution creditor to order that such shares or money, or such of them, or such part thereof as such Court or Judge shall think fit shall stand charged with the payment of the amount for which such execution shall have issued, together with the amount of the costs of obtaining such order; and such order as to any such shares as aforesaid shall entitle such creditor to all such remedies as he would have been entitled to if such charge had been made in his favour by the execution debtor in the mode most favourable to such creditor, provided that no proceedings shall be taken to have the benefit of such charge as to any such shares until after the expiration of six calendar months from the date of such order, and such order as to such money aforesaid shall entitle the said creditor to move to have the said money paid out of Court, or by such Receiver to him, and the said Court shall have power to make such order accordingly, provided always that no such order for payment shall be made without previous notice to all such parties as may have any charge upon or interest in such money as aforesaid.

XIII. And whereas by the said Charter, Houses, Lands and other real property of execution debtors may be sold under the said writs, and it is desirable to protect such debtors against any unnecessary sacrifice of their property by such sales, due regard being at the same time had to the rights of execution creditors—It is therefore enacted, that it shall be lawful for the said Court upon the application of any such debtor whether such execution shall have been sued out before or after the time appointed for the commencement of this Act if it shall be made to appear to the said Court that a sale of the Lands, Houses or other real property of such debtor would probably be attended with great and unnecessary loss to such debtor, and that the debt might be discharged by other means than a sale of the property to order the said Sheriff or other Officer not to proceed to a sale thereof and to appoint a Receiver of the said property, and to direct a competent sum to be raised by mortgage of the property for the satisfaction of the demand of the execution creditor, and of all poundage, costs, charges and expences of the said execution, or to direct that the same shall be paid out of the rents and profits of the said property; and the said Court shall have power instead of appointing such Receiver by its writ to be issued for that purpose to order the said Sheriff or other Officer to make and deliver execution unto such creditor with his assent, of the Lands, Houses and other real property of such debtor, which Lands, Houses and other real property of such debtor shall by force and virtue of such execution be held and enjoyed by the party to whom such execution shall be so made and delivered, subject to an account in the said Court out of which such execution shall have issued, which said account the said Court shall have power on application on its Equity side to order to be taken upon petition without any bill filed for that purpose, provided always that such party to whom such execution shall be made and delivered as aforesaid shall be liable to pay the Government revenue and other payments and charges in respect of the Ownership of such lands, Houses and other real property, to the extent of the rents and profits thereof in like manner as the party against whom such execution shall have issued would have been bound to make, perform and render in case such execution had not issued, and shall be charged in account only with the surplus of such rents and profits over and above such Government revenue, costs and charges which he shall have paid and shall be entitled to hold the said Lands, Houses and real property aforesaid until the said execution shall be satisfied, together with the amount of all such payments and all necessary costs incurred by him under the provisions aforesaid.

XIV. And it is enacted, that no execution creditor, who under the powers of this Act, or in the said Charter contained, shall be entitled under any such seizure as aforesaid to any charge on any property, or to any debt or security or sum as aforesaid, shall afterwards and

before the property so charged or secured shall have been converted into money or realized, and the proceeds thereof applied towards payment of the said debt cause the person of the execution debtor to be taken or charged in execution upon such judgment without the previous order of the said Court; and in case such creditor shall obtain such order and shall take or charge the person of such debtor in execution under the same upon such judgment, such creditor shall be deemed and taken to have relinquished all right and title to the benefit of such property, debt, security or sum as aforesaid.

XV. And it is further enacted, that the property of the party against whom any Fieri Facias or Sequestration shall be issued in any action whether commenced before or after the time appointed for the commencement of this Act, shall be held to be bound as against the said party and all others claiming by succession from him, or by means of any gift, grant, transfer or conveyance by him, or with his direction or consent otherwise than for any valuable consideration by the delivery of such writ or sequestration to the Sheriff for the purpose of executing the same, and that as well against any Assignee of any Insolvent Debtor, or any person claiming under such Assignee as against all other persons than those hereinbefore mentioned such property shall be bound only from the time of the seizure under the same; provided always that nothing herein contained shall be construed to give validity to any transfer or conveyance or delivery or other disposition of, or dealing with the said property which before and at the time appointed for the commencement of this Act would be held to be fraudulent and void against creditors.

XVI. And it is enacted, that if it shall appear either from the pleadings or particulars, or any copy of any instrument or writing annexed to the pleadings in any action in the said court, or upon the evidence that the form of action has been mis-conceived either as to the whole or part of the subject matter of such action, the Court shall have power at any stage of the cause before judgment to amend the proceedings either by amending the form of the plaint and other pleadings, or by striking out any count or counts or part thereof, or by causing the verdict to be vacated in part and entered up on any count or counts instead of generally, or otherwise, upon such terms as to costs or otherwise as to such Court shall seem just and fit, and if in any such case as aforesaid the said amendments cannot be made without a new trial by reason of the difficulty of apportioning the damages or otherwise, then it shall be lawful for the said Court at any time upon objection taken after verdict and before judgment to order a new trial to be had, and to cause such amendments to be made on the record and proceedings as to such Court shall seem just and fit; and provided always that if the said Court shall be of opinion in any such case as aforesaid that the defendant has been misled or otherwise prejudiced by the improper form of the action either as to the whole or any part thereof, and that a postponement of the trial or of the inquiry is necessary for the attainment of justice the said Court shall postpone the said trial or inquiry, and make such order and impose such terms on either party as to amendments or otherwise, and as to costs as under the particular circumstances of the case shall be just and fit.

XVII. And it is enacted, that if there be any misjoinder of counts in any action in the said Court, the Court shall have power at any time and at any stage of the cause to amend the proceedings either by striking out one or more counts, or parts thereof, or otherwise, upon such terms as to costs or otherwise as to such Court shall seem just and fit.

XVIII. And it is enacted, that if there be a misjoinder of different rights of action in any action in the said Court, and the said misjoinder shall be objected to the said Court shall have power at any stage of the cause before judgment to amend the proceedings either by striking out one or more counts or parts thereof, or otherwise, upon such terms as to costs or otherwise as to such Court shall seem just and fit.

XIX. And it is enacted, that every right of action for mesne porfits, or other damages to which a person dying after the time appointed for the commencement of this Act shall have been solely entitled at his death, for any unlawful possession of, or other trespass, injury or wrong in his life time to his lands and hereditaments, whether arising from commission or omission of any act or duty, shall survive to his Executors, Administrators or Representatives.

XX. And it is enacted, that if upon the trial of any action in the said Court, it shall appear upon evidence that too many persons are joined as defendants therein no objection shall be allowed at the said trial on the ground of variance or otherwise by reason of such misjoinder. Provided always, that the said Court shall upon such trial give its verdict for such defendant or defendants as shall not be proved to be liable to the demand of the plaintiffs in respect of the subject matter of such action; and provided always, that if any such misjoinder appear from the pleadings and particulars, or any copy of any instrument or writing annexed to the pleadings and be not demurred to, no motion in arrest of judgment shall be made on the ground of such misjoinder, and that if such misjoinder be demurred to, the Court shall have power as well before as after the argument of such demurrer to cause the record to be amended by expunging the name of such person as shall be improperly joined as defendant therein.

XXI. And it is enacted, that no plea in abatement of any action in the said Court shall be pleaded for any nonjoinder of any person as plaintiff or defendant in the said action, and that the objection shall be taken in any such action to such nonjoinder in this mode only, viz. by plea to be termed a plea of nonjoinder of parties, which plea shall be in the form of a plea in abatement for such nonjoinder except that it shall not pray judgment of the plaint and that the same may be quashed; and after any such plea shall be pleaded it shall be lawful for the said Court to amend the proceedings by the addition thereto of such person or persons as it may be proper to add thereto, and to make such order as to costs and otherwise as to the said Court shall seem just and fit, and no such action shall abate by reason of any such nonjoinder; and if the said defect appear from the pleadings, particulars or any copy of any instrument or writing annexed to the pleadings, it shall not be a ground of demurrer or of any motion to arrest the judgment in such action. Provided always, that to any such plea of nonjoinder of a defendant the plaintiff may reply that such person named therein has been discharged by bankruptcy and certificate, or by a final order under an Act for the Relief of Insolvent Debtors; and provided always, that if upon any such plea of nonjoinder of a defendant the plaintiff shall cause the proceedings to be amended by adding as defendant the person named in such plea, and such, defendant shall be discharged therefrom by the verdict or judgment of the Court upon the ground that he or they ought not to have been joined as a co-defendant the plaintiff shall be entitled to recover over such costs as he shall be liable to pay to such defendant for whom such verdict or judgment shall be given, from such other defendant so pleading the nonjoinder as aforesaid. Provided always, that any such defendant who shall have pleaded the nonjoinder of any other person as defendant in such action who shall have been added by the plaintiff as defendant in consequence of such plea shall be at liberty to produce proof for the purpose of establishing the liability of such defendant so added as aforesaid. Provided always, that nothing herein contained shall in any way affect the right of any defendant against whom a judgment has been given to recover contribution where an action for contribution is by law maintainable in any action to be brought in any Court against any party or parties so joined as defendant and discharged as aforesaid. Provided always also, that no right of set-off shall be prejudiced by any provision in this Act contained, and that it shall be competent for any defendant to plead a set-off in like manner if the party to whom such set-off is alleged to be due was the only defendant which plea of set-off shall aver that he is alone liable to the plaintiff's demand in that action.

XXII. And it is enacted, that an action at law shall be maintainable on the plea side of the said Court between one or more of several co-partners, joint contractors or joint owners, whether they be such as Executors, Administrators or Representatives, or otherwise, against his or their co-partners, joint contractors or joint owners for any demand of such a nature that the same between any parties would be the subject of an action at law, and that no such action shall be defeated by reason merely of the plaintiff and defendant, or any other person interested or concerned in such action being or having been members of the same partnership or such joint contractors or joint owners as aforesaid.

XXIII. And it is enacted, that the provisions in this Act contained as to such action between co-partners, co-contractors and joint owners as aforesaid are hereby extended to and shall include all causes of action arising between different bodies of persons who may be co-partners, co-contractors or joint owners inter se, though any such body may have some one or more of its members a common member or members of such different bodies, and in such cases such common member or members may be both plaintiff or plaintiffs, and defendant or defendants in the same suit.

XXIV. And it is enacted, that in any such action between co-partners, co-contractors and joint owners as aforesaid, the defendant may plead as a set-off any matter for which he could maintain an action at law against the plaintiff and which may be the subject matter of a set-off.

XXV. And it is enacted, that a demand in respect of any chose in action assignable in Equity and which is by this Act made assignable at law may be set-off in any action at law wherein a plea of set-off is allowed, provided that the same is of such a nature as to be the subject matter of a set-off, and in any action brought by a trustee, any sum due from or claim upon the cestin que trust to or by the defendant which is of such a nature as to be the subject matter of a set-off may be set-off against the demand of the plaintiff in such action; subject always to any lien of such plaintiff on the trust fund for his indemnity.

XXVI. And it is enacted, that in every action in the said Court wherein a set-off shall be pleaded if the defendant shall prove a larger sum to be due to him than the sum which the plaintiff shall prove to be due to him, then the Court shall have power to give a verdict for the defendant for the balance found due to him if it shall appear to the said Court that the same may with a due regard to justice be done. Provided

always, that every set-off under this Act shall be pleaded in all causes where it is now necessary to plead a set-off.

XXVII. And it is enacted, that all legal choses in action which are the subjects of an action at law, and which are or may be assignable in Equity shall be assignable at law for the same considerations and in the same manner as the same are assignable in Equity, and any assignee of any such chose in action may bring an action in his own name on the plea side of the Court in respect of any such matter or thing as aforesaid so assigned to him against the party originally liable thereon which said party so originally liable shall be sued in the like form as if the action were brought in the name of the original assignor, and in any such action it shall be sufficient for such assignee in alleging his title to sue to state that the title of the original assignor came to him by assignment without stating any intermediate assignments, and in any such action payment or other satisfaction to the original assignor any intermediate assignee whether before or after assignment to the plaintiff may be pleaded, which plea of payment or satisfaction as aforesaid if after assignment to the plaintiff shall contain an averment that the defendant had not notice at the time of such payment or satisfaction of the assignment to the plaintiff, and upon any issue joined upon a traverse of such notice, proof of any facts which would constitute notice in a Court of Equity of such assignment in the like case shall be deemed to be sufficient proof of such notice.

XXVIII. And it is enacted, that in all cases in which by reason of the loss of any instrument the party entitled, but for such loss to sue upon the same in an action at law would before the time appointed for the commencement of this Act have been forced to sue in a Court of Equity it shall be lawful to sue in the said Court in an action at law on the plea side thereof in like manner as if no such loss had occurred; and it shall be lawful for the said Court upon the application of the party sued upon such lost instrument to stay proceedings in such action till the plaintiff shall give security to indemnify the defendant against any claims upon such instrument in case the same shall be afterwards produced in like manner and to the same extent as a Court of Equity would direct in the like case. Provided always, that in any action upon such instrument the plaintiff shall describe the same in his plaint as lost.

XXIX. And it is enacted, that in any action in the said Court whether commenced before or after the time appointed for the commencement of this Act it shall be lawful for the said Court upon the motion of either party on the plea side thereof upon affidavit or solemn affirmation disclosing such facts and circumstances that in the opinion of the Court the party so applying would be entitled to a discovery in support of or with a view to establish a defence to the said action according to the principles upon which the said Court on its Equity side would act in giving discovery in the like cases, to grant a rule calling on the opposite party or parties, or any of them, to shew cause why such discovery should not be had and the proceedings stayed in the meantime, and the Court upon granting such rule shall if it think fit order the proceedings to be stayed, and upon the shewing cause against such rule, or if cause be not shewn against such Rule shall, if it shall think fit, make such order for the examination of the party or parties by interrogatories in writing to be exhibited by the party applying for such discovery and by examination viva voce at the trial or other previous stage of the cause, or by either of the modes aforesaid as it shall think fit, and the said Court shall have power to order from time to time such interrogatories to be amended and such further interrogatories to be added as it shall consider the justice of the case to require, and to make such order for production of documents as it might make in the like case of a bill had been filed for discovery in such action, and to impose such terms upon the party so applying for such discovery as to the said Court shall seem reasonable and just, and to make such order as to costs, and such other orders as may be necessary to enforce such discovery either by commitment for contempt or by ordering the matter of which discovery is sought to be taken pro confesso.

XXX. And it is enacted, that nothing in this Act contained whereby any jurisdiction is given to the said Court on the plea side thereof over matters which before the time appointed for the commencement of this Act were cognizable by the said Court on the Equity side thereof shall have the effect of ousting the said Court of its jurisdiction over such matters on the Equity side thereof, or shall deprive any party of his remedy on the Equity side of the Court in respect of such matters.

XXXI. And it is enacted, that it shall be lawful for the said Court in any case in which a party shall be entitled to file a bill for an account on the Equity side thereof upon the petition of the party so entitled to the said Court on the Equity side thereof, supported by affidavit or solemn affirmation, and upon due notice thereof to such persons as would have been necessary parties in case such bill had been filed to direct such account to be taken, and such account shall be taken accordingly; and it shall be lawful for the Court in like manner to make such further orders in the matter of the said account as might be lawfully made in case such bill had been filed.

XXXII. And it is enacted, that in any case in which any party shall be entitled to file a bill of interpleader in the said Court on the Equity side thereof, it shall be lawful for the said Court upon the petition of the party so entitled as aforesaid, supported by affidavit or solemn affirmation, and upon due notice thereof to such persons as would have been necessary parties in case such bill had beed filed to make such orders in the matter of the said petition as the said Court might make if such bill had been filed.

XXXIII. And it is enacted, that it shall be lawful for the said Court in any case in which a party shall be entitled to file a bill on the Equity side thereof for the payment of a legacy, or any residue or share of a residue, or for any distribution of property under any right of succession, ab intestato or otherwise upon the petition of the party so entitled on the Equity side of the said Court, supported by affidavit or solemn affirmation, and due notice thereof to such persons as would have been necessary parties in case such bill had been filed to make such orders thereupon in like manner as if such bill had been filed.

XXXIV. And it is enacted, that in any case in which a party shall be entitled to file a bill on the Equity side of the said Court for the purpose of obtaining the construction of any instrument, it shall be lawful for the Court upon the petition of the party so entitled to the said Court on the Equity side thereof, supported by affidavit or solemn affirmation, and upon due notice to such persons as would have been necessary parties in case such bill had been filed, to declare the construction of such instrument notwithstanding that the said petition may involve other matters, and to make such further orders in the matter of the said petition as might be lawfully made in case a bill had been filed.

XXXV. And it is enacted, that it shall be lawful for the Court to make such orders for compelling appearance to such petitions as aforesaid, and in default of appearance upon such petitions as shall be necessary to give effect to the provisions in this Act contained as to such petitions, and that all orders made on such petitions shall be binding in like manner, and shall be enforced against such persons and in the same manner and by the like process as decrees or orders to the like effect would have been enforced in case a bill had been filed.

XXXVI. And it is enacted, that it shall be lawful for the said Court upon any suit in Equity for the specific performance of an agreement, if the Court shall be of opinion that there ought not to be a specific performance to award damages for the non performance of the agreement in like manner as the Court might award damages in an action at law for the breach of the agreement; and in case the Court shall not be able to assess the same then to direct a reference to the Master, or an issue for ascertaining the amount of the same; and it shall also be lawful for the said Court to direct the re-payment of the purchase money, or so much thereof as shall have been paid, or of the deposit and of interest on the said purchase money or deposit.

XXXVIII. And it is enacted, that where any party in any suit in the said Court, whether instituted before or after the time appointed for the commencement of this Act, is directed to do any act either in any suit or proceeding by petition in manner aforesaid on the Equity side thereof, or under the jurisdiction hereby given to the said Court on the plea side thereof over matters which before the time aforesaid were matters subject to the jurisdiction of the said Court on its Equity side only, and shall be in contempt for the non-performance thereof, it shall be lawful for the said Court to direct the same to be performed by some Officer of the Court, whether the party be in custody for such contempt as aforesaid or not, and without prejudice to the right to proceed for such contempt with a view only to the recovery of any cost which the party in contempt would have been liable to pay before being discharged from his contempt.

XXXIX. And it is enacted, that in the administration of assets by any Executor or Administrator under any Probate or Letters of Administration to be granted after the time appointed for the commencement of this Act, or in any suit for the administration of assets to be brought in the said Court after the time aforesaid, all assets, whether legal or equitable, shall be distributable and distributed pari passee amongst the creditors in like manner and according to the same rules as if the whole were equitable assets distributed under a decree of a Court of Equity.

XL. And it is enacted, that the said Court shall have power on the Ecclesiastical or Admiralty side thereof as fully to all intents and purposes, and in the like manner and subject to the like conditions as on the Equity side thereof, to direct and issue to be tried on the plea side of the Court, and every issue directed by the said Court on any of its sides so to be tried as aforesaid, shall be set down for trial on the plea

side of the Court upon production to the proper Officer of the Court of a copy under the seal of the said Court of the order of the Court directing such issue unless the order be made on the plea side of the Court, in which case it may be set down to be tried upon the original order which said copy, or which said order, as the case may be, shall alone be considered as the record on which such trial shall proceed, and the verdict shall be entered thereon, and no pleadings shall be had with a view to the trial of any such issue, nor shall there be any other record than as aforesaid upon any such direction of an issue as aforesaid, and the said Court shall have power at any time after the making of such order for the trial of an issue as is aforesaid to issue process for the attendance of witnesses on the trial of such issue, and shall have all the powers to issue commissions for the examination of witnesses, or to take the evidence of witnesses debene esse, or for summoning witnesses, or for proceeding against any who may have been summoned for disobedience to the process whereby they were summoned, as well as in respect of all other matters and things, except as herein otherwise provided which it might exercise in any action, on the plea side of the Court, and every person wilfully swearing or affirming falsely upon such trial, or in any deposition under any commission issued for the purpose of such trial, or in any affidavit or solemn affirmation relating thereto as to any matters material to the question then depending, shall be liable to be indicted for wilful and corrupt perjury if he shall have sworn falsely as aforesaid, or if he shall have affirmed falsely as aforesaid he shall be subject upon a conviction for a misdemeanor for the said offence to the same pains, penalties and forefeitures to which persons convicted of wilful and corrupt perjury are or shall be subject.

XLI. And it is enacted, that in all suit on the Equity, Ecclesiastical or Admiralty sides of the Court wherein before the time appointed for the commencement of this Act the evidence was taken by written deposition before the Examiner or other Officer of the Court, and wherein after the time aforesaid it shall be necessary to take the examination of witnesses, the witness shall be examined viva voce in open Court. Provided always, that the evidence of such witnesses shall be reduced into writing and signed by the said witnesses and filed of record in the said Court. Provided always, that nothing herein contained shall be construed to extend to prevent the use of affidavits or solemn affirmations where such affidavits or solemn affirmations are by the course and practice of the said Court now admissable in any interlocutory proceedings in any suit on the said several sides of the said Court, or upon any application for Probate or Letters of Administration, or ad colligendum bona, or for the appointment of a Curator, next friend, Guardian, Receiver, Trustee, or for the issuing or return of any commission, writ or other process of the said Court, or relating to the service or execution thereof, or upon any motion or petition, or summary application to the said Court on any of the said sides thereof respectively. Provided always, that nothing herein contained shall be construed to extend to any proceedings under any commission for the examination of witnesses, nor to abridge the power of the said Court to issue any such commission.

XLII. And it is enacted, that the Court shall have power to take the examination debene esse of any witnesses in open Court in any suit on the said several sides of the Court in like manner and subject to the same conditions, rules and provisions which apply to the examination of witnesses debene esse on the plea side of the said Court.

XLIII. And it is enacted, that every inquisition of lunacy to be holden within the local limits of Calcutta shall be holden before the said Court, any former practice or usage to the contrary notwithstanding, and the trial shall be by a special jury of twelve men who shall be summoned in the usual manner of summoning a special jury.

XLIV. And whereas by the Charter establishing the said Supreme Court, the said Court is authorized and empowered to frame such rules of practice, and to make such standing orders for administration of justice and the due exercise of the Civil, Criminal, Admiralty, and Ecclesiastical Jurisdiction thereby created, and to do all such other things as shall be found necessary thereto so as the said Court shall from time to time transmit the same under the Seal thereof to Her Majesty, Her Heirs or Successors in Her or their Privy Council for the approbation, control, or alteration of Her Majesty, Her Heirs or Successors. And whereas by an Act passed at a Session of Parliament holden in the second and third years of the Reign of Her present Majesty, entitled "An Act to confirm certain "Rules and Orders of the Supreme Courts of "Judicature at Fort William and Madras, and "to empower the same Courts and the Supreme "Court of Judicature of Bombay, to make Rules "and Orders concerning Pleadings"—it was enacted amongst other things that the Supreme Court of Fort William should and might by any other Rules and Orders to be from time to time passed by such Court make such further alterations in the mode of pleading in the said Court, or in the mode of entering and transcribing, pleadings, judgments and other proceedings in actions at law or suits in Equity, or any Civil or Ecclesiastical causes, and such regulations as to the payment of costs and otherwise for carrying into effect any such alterations as to the said Court might seem expedient, subject to

the provisoes in that Act contained as to the confirmation or disallowance thereof by the Governor General of India in Council, and the altering or reconsidering thereof by Her Majesty, Her Heirs, or Successors, and as to the power of pleading the general issue and giving the special matter in evidence in the cases therein mentioned. And whereas it is desirable to prevent any doubts arising as to the power of the said Court to make such Rules and Orders and Regulations as may from time to time be necessary to give full effect to the provisions in this Act contained—It is enacted, that the said Court shall and may make from time to time such Rules, Orders, and Regulations as to the mode of procedure in the said Court as may be necessary to give full effect to all the provisions in this Act contained, and all such Rules, Orders, and Regulations shall be submitted for confirmation or disallowance to the Governor General of India in Council immediately upon the making of the same, and every such Rule, Order or Regulation shall to all intents and purposes have full effect after it shall have been confirmed by the said Governor General of India in Council, but any such Rule, Order, or Regulation when so confirmed shall be transmitted to Her Majesty, Her Heirs or Successors in Council, and shall be subject at any time to be altered or rescinded by Her said Majesty, Her Heirs or Successors in Council. Provided always, that no Rule, Order or Regulation to be made by virtue of this Act shall have the effect of depriving any person of the power of pleading the general issue, and giving the special matter in evidence in any case wherein he is now or hereafter shall be entitled to do so by virtue of any Statute or Act now or hereafter to be in force.

XLV. And it is enacted, that the word joint owners in this Act shall be construed to include all joint tenants, tenants in common, co-parceners or other joint proprietors, and the words plaintiff or defendant to include all the plaintiffs and defendants, or some of them, and whenever in describing any person or party, matter or thing the word importing the singular number or the masculine gender only is used in this Act the same shall be taken to include several persons or parties as well as one person or party and females as well as males, and several matters or things as well as one matter or thing respectively, and the term person or party shall be taken to include and shall be applied to a body corporate, unless in any of the before mentioned cases there be something in the subject or context repugnant to such construction.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 13TH MARCH 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March 1847.

ACT No. —— OF 1847.

An Act for facilitating the execution of the Process of the Supreme Court of Judicature at Fort William in Bengal, and the taking of affidavits without the local limits of the jurisdiction of the said Court.

I. Whereas by the Charter of the Supreme Court of Judicature at Fort William in Bengal, the process of the Court, except in certain cases, is required to be addressed to and executed by the Sheriff of Calcutta, which in the case of parties resident without the local limits of the jurisdiction of the Court is often attended with unnecessary expense and other inconvenience. And whereas it is desirable to make provision for the execution of the process of the said Supreme Court without the local limits of its jurisdiction similar to those made for the execution of the process of the Courts of the Hon'ble the East India Company within the local limits of the jurisdiction of the said Supreme Court —It is enacted, that from and after the passing of this Act it shall be lawful for the said Supreme Court, notwithstanding the terms of the said Charter when any process of the said Court is to be executed against any person subject to the jurisdiction thereof, and not resident within the local limits thereof, or against any property without such limits to issue any process which the said Court is as may be empowered to issue, and to address the same to such person as it shall think fit, and to direct the execution thereof in the manner hereinafter provided, and that the same shall be executed accordingly, and that upon the same being executed and returned in the manner provided for by this Act it shall be lawful for the said Court to proceed thereupon in like manner as if the same had been executed according to the practice of the Court before the passing of this Act.

II. And it is enacted, that it shall be lawful for the said Supreme Court or for any Judge thereof by a letter of request addressed to any Court, Judge, Magistrate, or Justice of the Peace, without the local limits of the said Supreme Court, enclosing or accompanied by two duplicate originals of any such process as aforesaid to request that such process may be executed within the limits of the jurisdiction of such Court, Judge, Magistrate, or Justice of the Peace, pursuant to the directions therein contained, and that such letter and each of such duplicates shall be signed by one of the Judges of the said Supreme Court and sealed with the seal of the said Court, and the production thereof purporting to be so signed and sealed as aforesaid shall be sufficient evidence of the issuing of such process, and that the requisition thereof shall and may be performed by any person or persons for the time being, constituting such Court, or discharging the duties of such Judge, Magistrate, or Justice of the Peace.

III. Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	,,	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 21st of April, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 21st April, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 21st April 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 4th of May 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that, the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

JAS. SUTHERLAND, *Secretary.*

Fort William, the 29th March, 1847.

Calicut, 1st February, 1847.

Notice is hereby given, that a fixed single Light will be exhibited at Calicut from the 15th instant, on a column of masonry 105 feet above the level of the sea.

The column which is white, may be seen from the deck of a ship at a distance of about 14 or 15 miles during the day time, and the Light which is a small one, (may be distinguished at a distance of about 9 or 10 miles during the night.

The Calicut Shoal bears from the Light House N. N. E., distance about 1¼ mile.

The best anchorage for Shipping is in 5 fathoms with the Light House, bearing from East to N. N. E.

There is 3½ fathoms near the Western edge of the Calicut Shoal, but Vessels passing the Port either by day or by night, should not come under 5 fathoms; this depth will carry them well clear of the shoal.

The Light will not be exhibited from the 20th May to the 10th of August of each year.

No. 1610.

PILOT'S TRIAL.—At a Court assembled on Friday, the 5th day of March 1847, under Act No. XXIV. of 1845, Mr. Master Pilot James Keymer was tried on the following Charges.

Charges.—Mr. Master Pilot James Keymer, placed in arrest by order of the Officiating Superintendent of Marine.

First Charge.—Conduct highly disgraceful and unbecoming an Officer in the Pilot Service, in having been in a state of intoxication on board the American Ship "Goodwin," on the evening of the 27th January 1847, whilst under orders to pilot that Vessel to sea.

Second Charge.—Disobedience of orders in quitting the Ship "Goodwin," after taking pilotage charge on the evening of the 27th of January 1847.

Third Charge.—Neglect of duty in not reporting to the Master Attendant his inability to proceed in pilotage charge of the American Ship "Goodwin," until the forenoon of the 29th January 1847, thereby causing detention to the Ship, and heavy expences to the Owners in demurrage for a Steamer.

By order of the Offg. Supdt. of Marine,

(Signed) J. SUTHERLAND, *Secretary.*

Fort William, the 20th of February 1847.

Finding.—The Court having maturely weighed and considered the evidence brought forward in support of the prosecution, together with that adduced on the defence, is of opinion that the defendant, Mr. Master Pilot James Keymer, is not guilty of the first charge;—not guilty of the second charge;—guilty of the third charge.

Sentence.—The Court having found the defendant guilty as above specified, do adjudge him, the said Master Pilot James Keymer, to be reprimanded.

Fort William, Master Attendant's Office,
The 17th day of March, 1847.

(Sd.) HY. PIDDINGTON, *President.*

(Sd.) J. J. R. BOWMAN, *Judge Advocate.*

REMARK No. 1.

In reference to the first Charge, the Court desires specially to record that it considers Mr. Master Pilot James Keymer, as honorably acquitted of the charge of intoxication, which it considers as totally unfounded, and that he has produced to the Court satisfactory testimonials of a long and most creditable fulfilment of his duties in every respect during twenty years.

REMARK 2D.

The Court desires to record, in reference to the third charge, that it considers Mr. Master Pilot Keymer's offence as having many extenuating features, such as his hope and desire to have rejoined the Ship up to the last moment, and the lax practice of forwarding reports to the Head Clerk instead of directly to the Master Attendant; and in consideration of his long and unblemished services as above referred to, beg respectfully and unanimously to recommend him to the favorable consideration of Government.

(Sd.) HY. PIDDINGTON,
President.

His Honor the Deputy Governor having been pleased to approve and confirm the Finding and Sentence of the Court, and to direct that Mr. Master Pilot James Keymer be reprimanded, he has been ordered to be reprimanded accordingly, and to return to his duty.

By order of the Offg. Supdt. of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William, the 10th April, 1847.

NOTIFICATION.

Fort William, the 6th April, 1847.

OPIUM.—Notice is hereby given, that on Monday, the 19th of April, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1845-46, subject to the following Conditions, viz.

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	„	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 21st of April, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 21st April, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 21st April 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 4th of May 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that, the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously, to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	„	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 21st of April, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 21st April, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 21st April 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 4th of May 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that, the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

No. 659.

The Governor General publishes for general information, the following Documents received from the Governor General's Agent at Rajpootana, prohibiting Female Infanticide in Jeypore, and limiting the demands of certain religious sects, called Bhats and Charuns, on occasions of marriages in Rajpoot families.

The Governor Genaral has already, in the Notification of the 22d September last, expressed his approbation of the conduct of the Jeypore Regency on the occasion of the abolition of Suttee in Dhoondar, and His Lordship has now again the pleasure to repeat his gratification at this further proof of their zeal in the cause of humanity.

Extract from a letter from the Agent Governor General for the States of Rajpootana to the Secretary to the Government of India, with the Governor General, dated 10th March 1847, *No.* 57.

I have infinite satisfaction in laying before His Lordship the Governor General, a copy of a letter from Major Ludlow, the Political Agent at Jyepoor, No. 20, dated the 4th instant, with a copy and translation of its enclosure—a letter from the Chiefs of the Council of Regency to his address, showing what has been the effect in that Principality (towards preventing female Infanticide) 1st, of limiting the demands of Bhats and Charuns on the celebration of marriages in Rajpoot families, and 2d, of the measures prohibiting the assembly of Bhats and Charuns from foreign territories on such occasions.

Extract from a letter from the Political Agent at Jeypore to the Agent Governor General for the States of Rajpootana, dated Jeypoor, 4th March 1847, *No.* 20.

A long period having elapsed since the publication within Dhoondhar of the rules prescribed for limiting the demands of Charuns and others at marriages, and prohibitory to the attendance on such occasions of foreigners of these sects, whose extortion had been declared to be a fruitful incentive to female Infanticide, I sought from the Jeypoor Council of Regency some record of their operation, and a copy of the reply which has been sent to me, I have the honor to enclose herewith, together with a translation.

Translation of a letter addressed by the Jeypoor Council of Regency to the Political Agent, and bearing date 10th February, 1847.

A proclamation was issued in this Principality prohibitory to female Infanticide among the Rajpoots, and with this view fixed rates were declared to be receivable by Charuns, Bhats, Dholees and Meerasees, by which they were enjoined to abide. Copies of the proclamation were transmitted through the Agency to all the States of Rajusthan—and they were every where approved and acted upon, and it was agreed that no one should be permitted to receive amounts in excess to the stipulated rates.

You inquired of us regarding the result of this measure, and we state in reply, that a period of two years, four months and a few days, has now elapsed, during which we have not heard of Charuns, Bhats, Dholees, Meerasees and others having come on the celebration of marriages among Rajpoots, from Foreign Territories, or of these classes having taken amounts exceeding the rates laid down for them respectively—or of their having made any violent demands in the hope of obtaining them.

Within the whole period above stated, only on one occasion, viz. in A. D. 1844, or on Fagoon Bud 8 Sumbut 1900, when the Burat of Bijee Singh Jee, the brother of Rawul Sheo Singh, proceeded to the Ajmere District, that he might ally himself in marriage with a daughter of the Thakoor of Masoodah, Charuns came from foreign territories demanding amounts on account of Tyag, &c. in excess to what was authorized, wherefore a gross amount of Rupees 7,700 was given to them, in consequence of which, you addressed the Officer of that District, and caused the requisite steps to be adopted. With this exception we have heard of no complaints of Charuns' excesses, or of their demanding more than the stipulated amounts. But on the contrary, when a Chief from Marwar came to Nuruena to celebrate his marriage he would not pay even the regulated dues—a statement of which came to us from the Dewan, and a copy which was sent by us, will have reached you.

Thus we have had complaints preferred by Charuns of not obtaining their dues, and the operation of the regulation is perfect inasmuch as the Charuns have succumbed to the extent of not being able to obtain from some persons the stipulated rates of payment.

In Shekawattee certain Sirdars are sharers among many, and in the produce of their allotments they have not the means of subsistence. Yet they assert their dignity, and desire to ally their daughters with sons of houses of high rank, while possessing not the means of bearing the expenses attendant on such alliances.

We have considered that formerly the expenditure among Charuns, Bhats and others was excessive, and that suitable rules were enacted to prevent this; but that rules have not been enacted to prevent persons possessed of insufficient means (and who consider themselves suffering reproach if they do not expend money proportionate to their rank) from excess expenditure, and that till this is effected, female infanticide will not cease.

It is therefore agreed, that from the amount which may remain after paying the Charuns and Bhats Tyag the eighth of the revenue of the estate of the person whose nuptials are to be performed, shall be expended in the ceremonial—and that

nothing shall be paid by any one in excess to this rate.

A Muhzurnama has been prepared to the above effect, and from this course the fullest assurances may be entertained that female children will no longer be destroyed, and that intermarriage will take place between the children of houses of corresponding rank. There will be no occasion for the sending of Dolas,* or for alliances with houses of inferior rank, for an eighth of the income for one year which may remain after paying the Charuns and Bhats, having to be determined upon as payable by all ranks, no one will consider his dignity hurt by paying at the fixed rate, and he cannot feel the disbursement burdensome.

*Daughters of Bhatees of Jessulmere, who are brought to the house of the destined Bridegroom, where the marriage is performed at a trifling cost.

Besides preparing the Muhzurnama, all the Amils have been addressed, directing that no person shall be suffered to pay at rates exceeding the stated limit, and that should any one do so he shall be called upon to answer for so doing, being therein regarded as an offender against the Raj.

It has also been arranged that should any person transgress the rules laid down on the same being proved against him, the party supplying the information shall receive a reward of Rs 300. This will cause vigilance, and an eighth only will be expended.

OPIUM.—Notice is hereby given, that on Monday, the 19th of April, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1845-46, subject to the following Conditions, viz.

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	„	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 21st of April, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 21st April, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 21st April 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 4th of May 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that, the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

LOCH RYAN LIGHTHOUSE.

The Commissioners of the Northern Lighthouses hereby give notice, that the Beacon erected in the year 1843 upon Cairn Ryan Point, within Loch Ryan, in the County of Wigtown, has been converted into a Lighthouse, the Light of which will be exhibited on the night of the 3d of March 1847, and every night thereafter, from Sun-set to Sun-rise.

The Light is chiefly intended to open up the anchorage of Loch Ryan.

Loch Ryan Lighthouse is situated upon Cairn Ryan Point, on the Eastern Shore of the Loch, in N. Lat. 54° 58′ 28″, and W. Long. 5° 1′ 47″. The Light will be known to Mariners as a Fixed Light of the natural appearance. The Lantern, which is open from S. by W. ⅛ W. round to N. ⅛ E. in a westerly direction, is elevated 30 feet above the level of the Sea; and the Light will be seen at the distance of 10 miles, and at lesser distances, according to the state of the atmosphere.

And the Commissioners hereby further give notice that, by virtue of a warrant from the Queen in Council, dated 19th December 1846, the following Tolls will be levied in respect of this Light, viz.:—

Loch Ryan Lighthouse is situated upon Cairn Ryan Point, on the Eastern Shore of the Loch, in N. Lat. 54° 58′ 28″, and W. Long. 5° 1′ 47″. The Light will be known to Mariners as a Fixed Light of the natural appearance. The Lantern, which is open from S. by W. ½ W. round to N. ½ E. in a westerly direction, is elevated 30 feet above the level of the Sea; and the Light will be seen at the distance of 10 miles, and at lesser distances, according to the state of the atmosphere.

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

General Orders by the Hon'ble the President of the Council of India in Council.

Fort William, 30th April, 1847.—*No.* 145 *of* 1847.—It having come to the knowledge of the Hon'ble the President in Council, that, in more than one instance of late, when Native Troops were ordered to proceed on duty, on River Steamers, the Executive Commissariat Officers at the Presidency and Allahabad, complied with the requisitions of the Commanding Officers, for rations, for the use of the men of the Detachments, for the entire period they were likely to be on board; and that, notwithstanding that, by the Orders of Government, the grant of free rations had been restricted to occasions on which circumstances might not admit of the Sepoys, &c. obtaining a supply for themselves on shore, the provisions furnished by the Commissariat were daily issued during the passage as a matter of course, without, it would appear, any account of the expenditure being required by the Commissariat Officers in question, or any check being exercised by their Departmental superiors—His Honor in Council deems it necessary to signify in General Orders the displeasure of the Government at the manner in which the indulgence has thus been suffered to be abused, in consequence of the inattention to their duty and to orders of the Officers concerned.

In future, provisions for Native Troops and Establishments, ordered to embark on River Steamers, will only be put on board by the Commissariat when the Steamers may be proceeding to, or from, the Presidency by the Soondurbuns, and then only to the prescribed extent required for the party, for the period usually occupied in effecting that passage, which seldom exceeds four or five days; and the Military Board is requested to see that this order is strictly attended to.

It is to be distinctly understood, that, under no circumstances will compensation in lieu of such rations be allowed; as the grant is regarded strictly as one of indulgence, and not of right, the Detachments receiving Extra Batta during their absence from Cantonments, and being subjected to no expense on account of the carriage of their Baggage.

No. 146 *of* 1847.—1. Under existing Regulations, Staff and Warrant Officers entitled to public Quarters, are allowed, when they cannot be so accommodated, the House Rent of their Rank. When temporarily withdrawn for duty with detachments, or with Troops in the Field, Tentage is passed to them. The latter allowance is also drawn by Staff Officers vacating their quarters, while on leave of absence, and, in some instances, where such Officers are removed from one station to another, boat allowance is admitted on their behalf.

2. To simplify the above Regulations, and to facilitate the adjustment of accounts, it is hereby declared, that all Staff and Warrant Officers, *entitled* to Quarters, when deprived of them, from whatever cause, are to draw, for such periods, the Tentage of their Regimental rank.

3. This Rule to operate prospectively, and is not to affect Officers at present in receipt of House Rent in lieu of Quarters.

No. 147 *of* 1847.—With reference to the General Order No. 255 of the 7th October 1842, the Hon'ble the President in Council, with the concurrence of the Right Hon'ble the Governor General, is pleased to authorize a further augmentation to the strength of the Bhaugulpore Hill Rangers, to the extent of 2 Subadars, 1 Jemadar, 7 Havildars 7 Naicks, 3 Buglers and 130 Sepoys.

By order of the Offg. Supdt. of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William, the 17th April, 1847.

LOCH RYAN LIGHTHOUSE.

The Commissioners of the Northern Lighthouses hereby give notice, that the Beacon erected in the year 1843 upon Cairn Ryan Point, within Loch Ryan, in the County of Wigtown, has been converted into a Lighthouse, the Light of which will be exhibited on the night of the 3d of March 1847, and every night thereafter, from Sun-set to Sun-rise.

The Light is chiefly intended to open up the anchorage of Loch Ryan.

The following is a specification of the Lighthouse, and the appearance of the Light, by Mr. Alan Stevenson, Engineer to the Commissioners:

Loch Ryan Lighthouse is situated upon Cairn Ryan Point, on the Eastern Shore of the Loch, in N. Lat. 54° 58′ 28″, and W. Long. 5° 1′ 47″. The Light will be known to Mariners as a Fixed Light of the natural appearance. The Lantern, which is open from S. by W. ½ W. round to N. ¼ E. in a westerly direction, is elevated 30 feet above the level of the Sea; and the Light will be seen at the distance of 10 miles, and at lesser distances, according to the state of the atmosphere.

And the Commissioners hereby further give notice that, by virtue of a warrant from the Queen in Council, dated 19th December 1846, the following Tolls will be levied in respect of this Light, viz.:—

For every British Vessel, the same not belonging to Her Majesty, or being navigated wholly in ballast, and for every Foreign Vessel privileged to enter the Ports of the United Kingdom, on paying the same Duties as British Vessels, which shall pass or derive benefit from the said Light; *that is*, which shall arrive at or depart from any Port or Place within Loch Ryan:—

If the same shall not exceed 50 Tons burthen, 6d.
And if the same exceed 50 Tons, for each additional 50 Tons, or part of 50 Tons, a like Toll of ..... 6d.

And double the said respective Tolls for every Foreign Vessel sailing as aforesaid, not privileged as aforesaid.

By order of the Officiating Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William, the 29th March, 1847.

Calicut, 1st February, 1847.

Notice is hereby given, that a fixed single Light will be exhibited at Calicut from the 15th instant, on a column of masonry 105 feet above the level of the sea.

The column which is white, may be seen from the deck of a ship at a distance of about 14 or 15 miles during the day time, and the Light which is a small one, (may be distinguished at a distance of about 9 or 10 miles during the night.

The Calicut Shoal bears from the Light House N. N. E., distance about 1¼ mile.

The best anchorage for Shipping is in 5 fathoms with the Light House, bearing from East to N. N. E.

There is 3½ fathoms near the Western edge of the Calicut Shoal, but Vessels passing the Port either by day or by night, should not come under 5 fathoms; this depth will carry them well clear of the shoal.

The Light will not be exhibited from the 20th May to the 10th of August of each year.

By order of the Officiating Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William, the 29th March, 1847.

Calicut, 1st February, 1847.

Notice is hereby given, that a fixed single Light will be exhibited at Calicut from the 15th instant, on a column of masonry 105 feet above the level of the sea.

The column which is white, may be seen from the deck of a ship at a distance of about 14 or 15 miles during the day time, and the Light which is a small one, (may be distinguished at a distance of about 9 or 10 miles during the night.

The Calicut Shoal bears from the Light House N. N. E., distance about 1¼ mile.

The best anchorage for Shipping is in 5 fathoms with the Light House, bearing from East to N. N. E.

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	„	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M, and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 19th of May, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 19th May, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 19th May 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M of Tuesday the 1st of June 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale,

and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities. under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

Ordered, that the Act be promulgated for general information.

ACT No. VII. OF 1847.

An Act to regulate Distresses for Small Rents in Calcutta.

I. It is hereby enacted, that it shall be lawful for the Commissioners of the Court of Commissioners for the Recovery of Small Debts in and for the Settlement of Fort William in Bengal to appoint four or more persons to be Bailiffs and Appraisers for the purposes of this Act, and to fix such remuneration for the services of the said Officers as shall appear to the said Commissioners expedient, and that such persons shall be duly sworn before the said Commissioners, and shall also give security to be approved by the said Commissioners faithfully to discharge the duties of their office, and that the said Commissioners shall have power to suspend or remove such persons so appointed, provided that it shall be lawful for the said Commissioners to appoint the Bailiffs who may be attached from time to time to the said Court to the office of Distraining Bailiffs and Appraisers for the purposes of this Act, and to award to the said Officers such remuneration in addition to their respective salaries drawn from the said Court as to the said Commissioners shall appear expedient.

II. III. And it is hereby enacted, that by virtue of such warrant it shall be lawful for such Officer to seize the whole or such part of the Goods and Chattels upon the said Premises as shall be sufficient to cover the amount of the said rent, together with the costs of the said distress, and that he shall thereupon make an Inventory of the Goods and Chattels so seized, and shall give a notice in writing in the Form in the Schedule to this Act annexed (marked B) to the party from whom such rent is claimed to be due, or to any other person upon behalf of such party upon the said Premises that the said Goods and Chattels will be appraised and sold in manner therein mentioned. And that the said Officer shall file in the said Court true copies of the said Inventory and Notice, provided that it shall be lawful for the party from whom such rent is claimed to be due, at any time within five days from such seizure, to apply to any Commissioner of the said Court to discharge or suspend such warrant, and it shall be lawful for such Commissioner to discharge or suspend such warrant accordingly, with or without costs, provided always that it shall be lawful for any of the said Commissioners in his discretion to give reasonable time to such party to pay the said rent.

IV. And it is hereby enacted, that in default of such application, it shall be lawful for any two of such Officers at the expiration of five days from such seizure to appraise the Goods and Chattels so seized, and to give notice in writing in the Form in the Schedule to this Act annexed (marked E.) of the sale thereof at such time and place as they shall direct, after an interval of not less than two days, and that they shall file in the said Court a true copy of the said Notice, and that the same shall be sold accordingly, and that the said Officers shall forthwith after realization of the produce of the said sale, pay over the amount thereof to the Chief Clerk of the said Court, and the amount of such produce shall be applied in satisfaction of the sum claimed to be due, together with the costs of the said distress, and that the surplus, if any, shall be returned to the party from whom the said rent was claimed to be due, provided that it shall be lawful for such party to direct that such sale shall take place in any other manner, such party giving security for any extra costs attending such mode of sale.

V. And it is hereby enacted, that no costs shall be taken or demanded for such distress except those contained in the Schedule to this Act annexed (marked C), and that it shall be lawful for the said Commissioners to apply the sum so raised as costs, towards the payment of the contingent charges and remuneration of the said Bailiffs and Appraisers as shall appear to the said Commissioners expedient, and that the Chief Clerk of the said Court shall keep a book in which all sums received as costs upon distresses made under the provisions of this Act, and all sums paid as remuneration to the said Bailiffs and Appraisers, and all contingent charges incurred in respect of such distresses shall be duly entered, and that the Chief Clerk of the said Court shall also enter in the said book all sums realized by sale of the Goods and Chattels distrained and paid over to the landlords under the provisions of this Act.

VI. And it is hereby enacted, that after the passing of this Act no distress shall be levied for arrears of rent amounting to Rupees 100, or less, except under the provisions of this Act, and that any person, except such Officer as appointed, levying or attempting to levy any such distress shall be guilty of a misdemeanor and shall be liable to be punished by fine and imprisonment for the same in addition to any other liability he may have incurred by such trespass.

H. B. RIDDELL,
Post Master General, N. W. P.

3d *May*, 1847.

Extract of a Letter No. 728, *dated the* 18*th April*, 1847, *from the Post Master of Allahabad.*

I have the honor to state, that the Soane Troop Boat in tow of the Nurbudda Steamer, arrived here on the evening of 16th instant; on the 17th and 18th, I landed the Cargo, and find the whole (without exception) more or less damaged.

It appears the Vessel struck on a piece of angular rock at Monghyr; but no shock was felt at the time, nor notice taken, till the Vessel had taken in so much water, that she was sinking, deeply, and before the goods could be got at, although part of the deck was cut away to facilitate such, the water had flowed over the bulk heads.

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	„	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 19th of May, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 19th May, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 19th May 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 1st of June 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain

a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

W. P., publishes for general information the accompanying Extract of a Letter from the Post Master of Allahabad.

H. B. RIDDELL,
Post Master General, N. W. P.

3*d May,* 1847,

Extract of a Letter No. 728, *dated the* 18*th April,* 1847, *from the Post Master of Allahabad.*

I have the honor to state, that the Soane Troop Boat in tow of the Nurbudda Steamer, arrived here on the evening of 16th instant; on the 17th and 18th, I landed the Cargo, and find the whole (without exception) more or less damaged.

It appears the Vessel struck on a piece of angular rock at Monghyr; but no shock was felt at the time, nor notice taken, till the Vessel had taken in so much water, that she was sinking, deeply, and before the goods could be got at, although part of the deck was cut away to facilitate such, the water had flowed over the bulk heads.

NOTICE TO MARINERS.—The following notice is published for general information, by order of Government.

By order of the Offg. Supdt. of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William, the 17*th April,* 1847.

LOCH RYAN LIGHTHOUSE.

The Commissioners of the Northern Lighthouses hereby give notice, that the Beacon erected in the year 1843 upon Cairn Ryan Point, within Loch Ryan, in the County of Wigtown, has been converted into a Lighthouse, the Light of which will be exhibited on the night of the 3d of March 1847, and every night thereafter, from Sun-set to Sun-rise.

The Light is chiefly intended to open up the anchorage of Loch Ryan.

The following is a specification of the Lighthouse, and the appearance of the Light, by Mr. Alan Stevenson, Engineer to the Commissioners:

Loch Ryan Lighthouse is situated upon Cairn Ryan Point, on the Eastern Shore of the Loch, in N. Lat. 54° 58′ 28″, and W. Long. 5° 1′ 47″. The Light will be known to Mariners as a Fixed Light of the natural appearance. The Lantern, which is open from S. by W. ½ W. round to N. ½ E. in a westerly direction, is elevated 30 feet above the level of the Sea; and the Light will be seen at the distance of 10 miles, and at lesser distances, according to the state of the atmosphere.

And the Commissioners hereby further give notice that, by virtue of a warrant from the Queen in Council, dated 19th December 1846, the following Tolls will be levied in respect of this Light, viz.:—

For every British Vessel, the same not belonging to Her Majesty, or being navigated wholly in ballast, and for every Foreign Vessel privileged to enter the Ports of the United Kingdom, on paying the same Duties as British Vessels, which shall pass or derive benefit from the said Light; *that is,* which shall arrive at or depart from any Port or Place within Loch Ryan:—

If the same shall not exceed 50 Tons burthen, 6d.
And if the same exceed 50 Tons, for each additional 50 Tons, or part of 50 Tons, a like Toll of ..... 6d.

And double the said respective Tolls for every Foreign Vessel sailing as aforesaid, not privileged as aforesaid.

LIGHT AT CALICUT.—The following Notification respecting a Light at Calicut, is published for general information as directed by Government.

By order of the Officiating Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William, the 29th March, 1847.

Calicut, 1st February, 1847.

Notice is hereby given, that a fixed single Light will be exhibited at Calicut from the 15th instant, on a column of masonry 105 feet above the level of the sea.

The column which is white, may be seen from the deck of a ship at a distance of about 14 or 15 miles during the day time, and the Light which is a small one, (may be distinguished at a distance of about 9 or 10 miles during the night.

The Calicut Shoal bears from the Light House N. N. E., distance about 1¼ mile.

The best anchorage for Shipping is in 5 fathoms with the Light House, bearing from East to N. N. E.

There is 3½ fathoms near the Western edge of the Calicut Shoal, but Vessels passing the Port either by day or by night, should not come under 5 fathoms; this depth will carry them well clear of the shoal.

The Light will not be exhibited from the 20th May to the 10th of August of each year.

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	„	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 19th of May, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 19th May, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 19th May 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 1st of June 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser

in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

NOTIFICATION.—To prevent unnecessary references regarding any injury, which may have happened to packages shipped from Calcutta in the Soane Troop Boat, and forwarded from Allahabad by the Government Bullock Train, the Post Master General, N. W. P., publishes for general information the accompanying Extract of a Letter from the Post Master of Allahabad.

H. B. RIDDELL,
Post Master General, N. W. P.

3*d May,* 1847.

Extract of a Letter No. 728, *dated the* 18*th April,* 1847, *from the Post Master of Allahabad.*

I have the honor to state, that the Soane Troop Boat in tow of the Nurbudda Steamer, arrived here on the evening of 16th instant; on the 17th and 18th, I landed the Cargo, and find the whole (without exception) more or less damaged.

It appears the Vessel struck on a piece of angular rock at Monghyr; but no shock was felt at the time, nor notice taken, till the Vessel had taken in so much water, that she was sinking, deeply, and before the goods could be got at, although part of the deck was cut away to facilitate such, the water had flowed over the bulk heads.

Post Master General, N. W. P.

LIGHT AT CALICUT.—The following Notification respecting a Light at Calicut, is published for general information as directed by Government.

By order of the Officiating Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William, the 29th March, 1847.

Calicut, 1st February, 1847.

Notice is hereby given, that a fixed single Light will be exhibited at Calicut from the 15th instant, on a column of masonry 105 feet above the level of the sea.

The column which is white, may be seen from the deck of a ship at a distance of about 14 or 15 miles during the day time, and the Light which is a small one, (may be distinguished at a distance of about 9 or 10 miles during the night.

The Calicut Shoal bears from the Light House N. N. E., distance about 1¼ mile.

The best anchorage for Shipping is in 5 fathoms with the Light House, bearing from East to N. N. E.

There is 3½ fathoms near the Western edge of the Calicut Shoal, but Vessels passing the Port either by day or by night, should not come under 5 fathoms; this depth will carry them well clear of the shoal.

The Light will not be exhibited from the 20th May to the 10th of August of each year.

The Light will be known to Mariners as a Fixed Light of the natural appearance. SUPPLEMENT TO

The Calcutta Gazette.

Published by Authority.

WEDNESDAY, MAY 19, 1847.

Fort William, Home Department, Legislative, the 15th May 1847.

The following Draft of a proposed Act was read in Council for the first time on the 15th of May 1847.

ACT No. —— OF 1847.

An Act for regulating the powers of Deputy Magistrates appointed under Act XV. of 1843.

Whereas Deputy Magistrates appointed under Act XV. 1843 to exercise the powers of a Covenanted Assistant under Regulations XIII. 1797, XII. 1803, IX. 1807, or III. 1821, are not competent to decide any cases but such as are referred to them by the Magistrate, and whereas this restriction is attended with practical inconvenience to complainants in petty criminal cases:

I. It is hereby enacted, that it shall be competent to the Local Government of both Divisions of the Bengal Presidency, to empower Deputy Magistrates appointed under Act XV. 1843 to receive and try such charges as they are now competent to try upon reference by the Magistrate, subject to an appeal from their decisions to the Magistrate, provided such appeal be preferred within the period of one month from the date of the sentence or order appealed from.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 15th day of July next.

G. A. BUSHBY, *Secy. to the Govt. of India.*

Fort William, Home Department, Legislative, the 15th May 1847.

The following Draft of a proposed Act was read in Council for the first time on the 15th of May 1847.

ACT No. —— OF 1847.

An Act for repealing Act XIV. of 1839 *so far as it relates to the Emigration of Natives of India to the Island of Ceylon.*

I. Whereas by Act XIV. of 1839 it was enacted, that every person who should make with any Native of India any contract for labor to be performed in any British or Foreign Colony without the Territories of the East India Company, or who should knowingly abet or aid any Native of India in emigrating from the said Territories for the purpose of being employed as a laborer, should be liable on conviction before a Magistrate or Justice of the Peace, to a fine not exceeding 200 Rupees for every Native so contracted with, aided or abetted, and in default of payment of such fine, should be liable to be imprisoned for a term not exceeding three months:

Provided always that nothing in that Act contained should be taken to apply to any Native Seaman who should of his own free will contract to navigate any Vessel, or who should embark on board such Vessel in pursuance of such contract, or to any person who should contract to serve as a Menial Servant only, or who should embark as such Menial Servant:

And whereas the Island of Ceylon geographically, historically and socially considered is analogous to the Countries subject to the Government of the East India Company:

It is hereby enacted, that Act XIV. of 1839 in so far as it makes liable to penalties every person who shall make with any Native of India any contract for labor to be performed in the said Island, or who shall knowingly aid or abet any Native of India in Emigrating from the Territories subject to the Government of the East India Company to the said Island, is repealed.

II. But whereas the said Island is not subject to the Legislative power of the Governor General of India in Council, so that the said Governor General in Council is unable to make Laws for the protection of such Natives of India as may emigrate to the said Island against the evils which might attend the emigration of such Natives of India from the said Island to any British or Foreign Colony:

F. J. HALLIDAY, Esq.,

Secretary to the Government of Bengal.

Sir,—The 5th Section of the Act X. of 1842, under which the Municipal Committee of this Town was constituted, having enacted that "every such Committee should on the 30th day of April, in every year, or oftener if required by the local Government, render to the local Government an account of all sums received and expended in the preceding year," we solicit the favor of your submitting to his Honor the Deputy Governor, the following statement of our proceedings, and of their result.

In this our first Report, it appears desirable to explain for his Honor's information, the principle we have adopted in fixing the municipal taxation of the Town, and to illustrate it by a comparison with the system which it has superseded. This retrospect will serve to exhibit the position in which the inhabitants of Serampore have been placed by the arrangements which Government committed to us. In addition to the land tax, the liquor, and opium tax, and several other taxes, the Danish Authorities, following the custom which formerly prevailed in all the foreign settlements in Bengal, established a tax on all articles of food and clothing and of general use and consumption, as noticed in the margin, as well as on all shops. It was usually called the Bazar duty, and corresponded with the Sayer imports, which were abolished throug hout the British Territories about half a century ago. The returns from this tax amounted to 2,525 Rupees in the year. A fee was also exacted on all marriages except those of Brahmuns and Caists, which produced 133 Rupees a year, and the farm of the sale of Betel, Betelnut, Arrack and Avellah yielded an annual return of 1,345 Rupees. These municipal imposts which amounted in the aggregate to 4,003 Rupees a year, were abolished in consequence of the transfer of the Town, and the inhabitants were relieved to this extent from the burden of taxation. It was partly from the returns of these taxes that the expense of the watch and ward of the Town, which stood the Danish Government in 308 Rupees 13 Annas a month, and the repairs of the Roads, fixed at 100 Rupees monthly, were defrayed. This sum of 308 Rupees included the regular police force, the expense of which is now borne by Government.

A short time after the settlement had been transferred to the British Government, it was ordered that a Chowkeedaree tax, corresponding with that which exists in the various Towns in the English Territories, should be established in Serampore, and the Joint Magistrate accordingly appointed native assessors of the various divisions of the Town, the result of whose labors was an assessment of 307 Rupees a month. But it was not long before the inhabitants began to manifest great objections to this mode of taxation, which subjects the poorer clases to a burden disproportioned to that which is imposed on their more wealthy neighbours. The lowest amount of the tax according to the regulation is 1 Anna a month; its highest limit, 2 Rupees. The inequality and consequent injustice of this system of taxation will be apparent by a simple glance at its effects in the Town. A thatched house which had cost the poor man less than 50 Rupees was taxed at 1 anna monthly, while the splendid mansion of the wealthy Baboo which had cost a lac of Rupees, contributed no more than 2 Rupees a month to the Town, although, if assessed at the same rate which was imposed on the hut, it would have paid a tax of 125 Rupees a month. The Joint Magistrate felt himself constrained to remit the tax to a number of the poorest of the people, and he forwarded to Government a petition signed by a very large body of the inhabitants, entreating that the more equitable municipal tax indicated in Act X. of 1842, by which property contributed to the expenses of the Town in proportion to its value, should be substituted in its stead.

Government was pleased to comply with the prayer of the inhabitants, and on the 5th of September last, appointed a Committee under that Act, consisting of two official gentlemen, Mr. Jackson the Joint Magistrate, and Dr. Abbott the Surgeon, and four private gentlemen; two Natives, Baboo Gunga Persaud Gossain and Baboo Prankristna Roy, and two Europeans, Mr. Marshman and Mr. Montague. But Baboo Gunga Persaud Gossain refused to accept the appointment, and Baboo Gour Mohun Gossain was subsequently nominated in his stead.

The Committee, on entering upon their labors, found that, according to the statement drawn up by the Danish Authorities, on their retirement from the settlement, the Town contained 537 brick houses, and 2,644 mud houses, in all 3,200; and they resolved in the first instance to afford relief to the poorer inhabitants who had suffered from the Chowkeedaree assessment, by exempting all houses the yearly value of which did not exceed 8 Rupees from all contribution. This immunity left 999 houses belonging to the more substantial and wealthy inhabitants to furnish the requisite municipal funds. One member of the Committee was appointed, with the aid of native assistants, to ascertain the value of the houses in the Town; and after a very careful examination fixed it at 8,287 Rupees a month. Two Sub-Committees were at the same time appointed to hear any objections the inhabitants might have to offer after they had received a distinct notice of the sum at which their houses were respectively assessed. From the appeals against the assessment made by the people, as well as from farther enquiries, it appeared to the Committee, that the value of the houses, more especially of those belonging to the superior classes, had been over-estimated, and it was resolved to subject the assessment to a large and general reduction. From this process, however, the rented houses of the monthly value of 1,851 Rupees, and the houses of inferior value, rated at 1,515 Rupees were exempted; as these latter did not admit of any reduction which would not have rendered it unadvisable to collect any tax from them. The monthly value of the remainder was reduced from 4,921 Rupees to 2,869 Rupees, and the entire value of all the houses in the Town, which were declared to be fit objects of taxation, was eventually fixed at 6,235 Rupees. This valuation was calculated, by a tax of five per cent. to yield 310 Rupees a month, only a trifle above the sum which the Chowkeedaree tax was expected to produce. The reduction made in order to remove objections and reconcile the wealthy and influential to

the tax varied from 30 to 80 per cent. The object which the inhabitants had sought in the establishment of the municipal tax was thus accomplished. The burden of taxation was removed from poverty, and placed on wealth. Of the 2,365 houses which had been assessed for the Chowkeedaree tax, more than 2,000 were benefitted by the substitution of the municipal tax; and it was only the proprietors of 300, or about one-eighth, who had any reason to object to the new arrangement; and even in their case the assessment was fixed at a rate which could not be deemed unreasonable. This will be apparent to His Honor from the simple mention of the fact, that the most magnificent house in the Town, that of the late Rughoo Ram Gossain, erected at an expense of more than a lac of Rupees, was valued at the monthly sum of 250 Rupees, and assessed at no higher amount than 12 Rupees 8 annas a month. The same principle has guided the Committee as far as possible in fixing the valuation of the other houses in the Town.

As soon however as the native Amlah was sent round with the bills, the Committee discovered that an organized opposition to the payment of the assessment had been formed. All the natives possessed of wealth, without a single exception, refused to look at the bills. The middling and the poorer classes replied that they had been advised not to submit to the assessment, and that they would pay only when the wealthy inhabitants of the Town had agreed to the tax. This refusal placed the Committee in an unpleasant predicament, as the Joint Magistrate had made over the native watch to them, on their organization; and they had thus become responsible for the payment of the Chowkeedars, who having received no pay for five months threatened to throw up their places. The Committee were temporarily relieved from this anxiety by one of their members, who advanced the sum of 588 Rupees, and they redoubled their efforts to collect the funds, but without success. The Treasurer, as a last resource, addressed a notification to ten of the chief inhabitants of the Town, in which he informed them that the tax had been established by order of the British Government, and that unless the amount was paid within a specified period, the Committee would be under the necessity of making application to the Magistrate under the 6th Section of the Act, who would then be constrained to put in force the provisions of Act II. of 1839, and realize the amount by the distraint and sale of their property; and that if they had any objections to offer to the proceedings of the Committee, they were at liberty to appeal to the Government of Bengal, who were empowered by the 8th Section of the Municipal Act to "dissolve such Committee, and to appoint any person or persons to enquire into, and report upon the conduct of such Committee, or of any members thereof in the execution of their trusts."

This last application proved equally fruitless, and the Committee believing it utterly hopeless to expect any relaxation of the combination which had been formed against the tax, were at length constrained to avail themselves of the 6th Section of the Act, which provides "that upon the application of "such Committee to any Magistrate or Justice of the Peace, such Magistrate or Justice is required to "exercise the same powers for levying the rate which may be due from any defaulters as are specified "in Act II. of 1839." They accordingly applied for the assistance of the Magistrate, and he, acting in conformity with that enactment, issued orders for the distraint and sale of the property of the defaulters, by which a sum equal to 203 Rupees was realized.

We beg leave to subjoin a statement of receipts, disbursements and dependencies, and have the honor to be,

Sir,

Your most obedient Servants,

L. JACKSON.

General Orders by the Right Hon'ble the Governor General of India.

Simla, 15th May, 1847.—The Right Hon'ble the Governor General is pleased to authorize the President of the Committee appointed to report on the comparative eligibility of the Stations in the Hills and in the Plains, to call upon Departments for any information which may be required, and Departments and Officers are desired to comply with all such requisitions.

J. STUART, *Col.*,
Secy. to the Govt. of India, Mily. Dept., with the Govr. Genl.

Fort William, Home Department, Legislative, the 15th May 1847.

The following Draft of a proposed Act was read in Council for the first time on the 15th of May 1847.

ACT No. —— OF 1847.

An Act for regulating the powers of Deputy Magistrates appointed under Act XV. of 1843.

Whereas Deputy Magistrates appointed under Act XV. 1843 to exercise the powers of a Covenanted Assistant under Regulations XIII. 1797, XII. 1803, IX. 1807, or III. 1821, are not competent to decide any cases but such as are referred to them by the Magistrate, and whereas this restriction is attended with practical inconvenience to complainants in petty criminal cases:

I. It is hereby enacted, that it shall be competent to the Local Government of both Divisions of the Bengal Presidency, to empower Deputy Magistrates appointed under Act XV. 1843 to receive and try such charges as they are now competent to try upon reference by the Magistrate, subject to an appeal from their decisions to the Magistrate, provided such appeal be preferred within the period of one month from the date of the sentence or order appealed from.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 15th day of July next.

G. A. BUSHBY, *Secy. to the Govt. of India.*

Fort William, Home Department, Legislative, the 15th May 1847.

The following Draft of a proposed Act was read in Council for the first time on the 15th of May 1847.

ACT No. —— OF 1847.

An Act for repealing Act XIV. of 1839 *so far as it relates to the Emigration of Natives of India to the Island of Ceylon.*

I. Whereas by Act XIV. of 1839 it was enacted, that every person who should make with any Native of India any contract for labor to be performed in any British or Foreign Colony without the Territories of the East India Company, or who should knowingly abet or aid any Native of India in emigrating from the said Territories for the purpose of being employed as a laborer, should be liable on conviction before a Magistrate or Justice of the Peace, to a fine not exceeding 200 Rupees for every Native so contracted with, aided or abetted, and in default of payment of such fine, should be liable to be imprisoned for a term not exceeding three months:

Provided always that nothing in that Act contained should be taken to apply to any Native Seaman who should of his own free will contract to navigate any Vessel, or who should embark on board such Vessel in pursuance of such contract, or to any person who should contract to serve as a Menial Servant only, or who should embark as such Menial Servant:

And whereas the Island of Ceylon geographically, historically and socially considered is analogous to the Countries subject to the Government of the East India Company:

It is hereby enacted, that Act XIV. of 1839 in so far as it makes liable to penalties every person who shall make with any Native of India any contract for labor to be performed in the said

Island, or who shall knowingly aid or abet any Native of India in Emigrating from the Territories subject to the Government of the East India Company to the said Island, is repealed.

II. But whereas the said Island is not subject to the Legislative power of the Governor General of India in Council, so that the said Governor General in Council is unable to make Laws for the protection of such Natives of India as may emigrate to the said Island against the evils which might attend the emigration of such Natives of India from the said Island to any British or Foreign Colony:

It is therefore hereby enacted, that this Act shall not come into operation until the Governor General of India in Council shall be duly certified that the Legislature of the said Island has made such Laws as the said Governor General in Council shall think sufficient for the protection of such Natives of India so emigrating to the said Island, against the evils aforesaid, and shall notify in the Gazette that he has been so certified.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 15th day of August next.

NOTICE TO MARINERS.—The following notice is published for general information, by order of Government.

By order of the Offg. Supdt. of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William, the 17th April, 1847.

LOCH RYAN LIGHTHOUSE.

The Commissioners of the Northern Lighthouses hereby give notice, that the Beacon erected in the year 1843 upon Cairn Ryan Point, within Loch Ryan, in the County of Wigtown, has been converted into a Lighthouse, the Light of which will be exhibited on the night of the 3d of March 1847, and every night thereafter, from Sun-set to Sun-rise.

The Light is chiefly intended to open up the anchorage of Loch Ryan.

The following is a specification of the Lighthouse, and the appearance of the Light, by Mr. Alan Stevenson, Engineer to the Commissioners:

Loch Ryan Lighthouse is situated upon Cairn Ryan Point, on the Eastern Shore of the Loch, in N. Lat. 54° 58′ 28″, and W. Long. 5° 1′ 47″. The Light will be known to Mariners as a Fixed Light of the natural appearance. The Lantern, which is open from S. by W. $\frac{1}{8}$ W. round to N. $\frac{3}{8}$ E. in a westerly direction, is elevated 30 feet above the level of the Sea; and the Light will be seen at the distance of 10 miles, and at lesser distances, according to the state of the atmosphere.

And the Commissioners hereby further give notice that, by virtue of a warrant from the Queen in Council, dated 19th December 1846, the following Tolls will be levied in respect of this Light, viz.:—

For every British Vessel, the same not belonging to Her Majesty, or being navigated wholly in ballast, and for every Foreign Vessel privileged to enter the Ports of the United Kingdom, on paying the same Duties as British Vessels, which shall pass or derive benefit from the said Light; *that is*, which shall arrive at or depart from any Port or Place within Loch Ryan:—

If the same shall not exceed 50 Tons burthen, 6d.
And if the same exceed 50 Tons, for each additional 50 Tons, or part of 50 Tons, a like Toll of ..... 6d.

And double the said respective Tolls for every Foreign Vessel sailing as aforesaid, not privileged as aforesaid.

LIGHT AT CALICUT.—The following Notification respecting a Light at Calicut, is published for general information as directed by Government.

By order of the Officiating Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William, the 29th March, 1847.

Calicut, 1st February, 1847.

Notice is hereby given, that a fixed single Light will be exhibited at Calicut from the 15th instant, on a column of masonry 105 feet above the level of the sea.

The column which is white, may be seen from the deck of a ship at a distance of about 14 or 15 miles during the day time, and the Light which is a small one, (may be distinguished at a distance of about 9 or 10 miles during the night.

The Calicut Shoal bears from the Light House N. N. E., distance about 1¼ mile.

The best anchorage for Shipping is in 5 fathoms with the Light House, bearing from East to N. N. E.

There is 3½ fathoms near the Western edge of the Calicut Shoal, but Vessels passing the Port either by day or by night, should not come under 5 fathoms; this depth will carry them well clear of the shoal.

The Light will not be exhibited from the 20th May to the 10th of August of each year.

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

Notice is hereby given, that a fixed single Light will be exhibited at Calicut from the 15th instant, on a column of masonry 105 feet above the level of the sea.

The column which is white, may be seen from the deck of a ship at a distance of about 14 or 15 miles during the day time, and the Light which is a small one, (may be distinguished at a distance of about 9 or 10 miles during the night.

The Calicut Shoal bears from the Light House N. N. E., distance about 1¼ mile.

The best anchorage for Shipping is in 5 fathoms with the Light House, bearing from East to N. N. E.

There is 3½ fathoms near the Western edge of the Calicut Shoal, but Vessels passing the Port either by day or by night, should not come under 5 fathoms; this depth will carry them well clear of the shoal.

The Light will not be exhibited from the 20th May to the 10th of August of each year.

NOTIFICATION.

Fort William, the 28th May, 1847.

OPIUM.—Notice is hereby given, that on Monday, the 14th of June, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1845-46, subject to the following Conditions, viz.

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	„	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 16th of June, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 16th of June, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 16th June 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 29th of June 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid,

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the date specified below:

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	„	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 16th of June, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 16th of June, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 16th June 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 29th of June 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers,, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the date specified below:

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 29th of June 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the date specified below:

LOCH RYAN LIGHTHOUSE.

The Commissioners of the Northern Lighthouses hereby give notice, that the Beacon erected in the year 1843 upon Cairn Ryan Point, within Loch Ryan, in the County of Wigtown, has been converted into a Lighthouse, the Light of which will be exhibited on the night of the 3d of March 1847, and every night thereafter, from Sun-set to Sun-rise.

The Light is chiefly intended to open up the anchorage of Loch Ryan.

The following is a specification of the Lighthouse, and the appearance of the Light, by Mr. Alan Stevenson, Engineer to the Commissioners:

Loch Ryan Lighthouse is situated upon Cairn Ryan Point, on the Eastern Shore of the Loch, in N. Lat. 54° 58′ 28″, and W. Long. 5° 1′ 47″. The Light will be known to Mariners as a Fixed Light of the natural appearance. The Lantern, which is open from S. by W. ½ W. round to N. ½ E. in a westerly direction, is elevated 30 feet above the level of the Sea; and the Light will be seen at the distance of 10 miles, and at lesser distances, according to the state of the atmosphere.

And the Commissioners hereby further give notice that, by virtue of a warrant from the Queen in Council, dated 19th December 1846, the following Tolls will be levied in respect of this Light, viz.:—

For every British Vessel, the same not belonging to Her Majesty, or being navigated wholly in ballast, and for every Foreign Vessel privileged to enter the Ports of the United Kingdom, on paying the same Duties as British Vessels, which shall pass or derive benefit from the said Light; *that is*, which shall arrive at or depart from any Port or Place within Loch Ryan:—

If the same shall not exceed 50 Tons burthen, 6d.
And if the same exceed 50 Tons, for each additional 50 Tons, or part of 50 Tons, a like Toll of ..... 6d.

And double the said respective Tolls for every Foreign Vessel sailing as aforesaid, not privileged as aforesaid.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

No. 2465.

AT a Court assembled on the Nineteenth day of May, One Thousand Eight Hundred and Forty-seven, under Act No. XXIV. of 1845, Mr. Master Pilot Francis Edmund Bond was tried on the following Charge:

For having when in Pilotage charge of the Barque "Dorothea," dropping down in the lower part of the Mud Point Channel, on the first day of May 1847, between the hours of five and six o'clock P. M., allowed the said Barque to take the ground, and thereby caused the total loss of Vessel and Cargo and the loss of one of the Crew.

By order of the Officiating Superintendant of Marine,

(Sd.) J. SUTHERLAND, *Secretary.*

Fort William, the 13th May, 1847.

Finding.

The Court having maturely weighed and considered all that has been adduced in support of the prosecution, as well as what has been brought forward on the defence, is of opinion that the defendant Mr. Master Pilot Francis Edmund Bond is guilty of the charge.

Sentence.

The Court having found the defendant guilty, as above specified, do adjudge him, the said Mr. Master Pilot Francis Edmund Bond to be reprimanded.

Fort William, Master Attendt.'s Office,
The 25th day of May, 1847.

(Sd.) HY. PIDDINGTON,
President.

(Sd.) J. J. R. BOWMAN,
Judge Advocate.

Minute by the Court.

The Court having found Mr. Master Pilot Francis Edmund Bond guilty of the charge, desire to record their opinion, that the knowl upon which the Barque "Dorothea" was lost, was entirely a new formation, as shewn by Mr. Bedford's survey and charts.

They desire however, further to add, that Mr. Master Pilot Francis Edmund Bond, appears to have taken an unnecessary risk in proceeding so far down at the time of tide at which the accident occurred, and that he very blameably proposed to the Captain of the "Dorothea," when crossing the ridge, about an hour or two before the accident, "to take his risk," which is highly irregular, and they trust will in future be unheard of.

(Sd.) HY. PIDDINGTON, *President.*

The proceedings having been submitted to Government, His Honor the Deputy Governor has been pleased to intimate his regret that "he is unable to concur in the Finding, or to approve the sentence pronounced by the Court."

The Officiating Master Attendant has been directed to release Mr. Master Pilot Francis Edmund Bond from arrest, and to allow him to return to his duty.

By order of the Officiating Superintendent of Marine,

JAS. SUTHERLAND,
Secretary.

Fort William, the 9th June, 1847.

NOTICE TO MARINERS.—The following notice is published for general information, by order of Government.

By order of the Offg. Supdt. of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William, the 17th April, 1847.

LOCH RYAN LIGHTHOUSE.

The Commissioners of the Northern Lighthouses hereby give notice, that the Beacon erected in the year 1843 upon Cairn Ryan Point, within Loch Ryan, in the County of Wigtown, has been converted into a Lighthouse, the Light of which will be exhibited on the night of the 3d of March 1847, and every night thereafter, from Sun-set to Sun-rise.

The Light is chiefly intended to open up the anchorage of Loch Ryan.

The following is a specification of the Lighthouse, and the appearance of the Light, by Mr. Alan Stevenson, Engineer to the Commissioners:

Loch Ryan Lighthouse is situated upon Cairn Ryan Point, on the Eastern Shore of the Loch, in N. Lat. 54° 58′ 28″, and W. Long. 5° 1′ 47″. The Light will be known to Mariners as a Fixed Light of the natural appearance. The Lantern, which is open from S. by W. ½ W. round to N. ½ E. in a westerly direction, is elevated 30 feet above the level of the Sea; and the Light will be seen at the distance of 10 miles, and at lesser distances, according to the state of the atmosphere.

And the Commissioners hereby further give notice that, by virtue of a warrant from the Queen in Council, dated 19th December 1846, the following Tolls will be levied in respect of this Light, viz.:—

For every British Vessel, the same not belonging to Her Majesty, or being navigated wholly in ballast, and for every Foreign Vessel privileged to enter the Ports of the United Kingdom, on paying the same Duties as British Vessels, which shall pass or derive benefit from the said Light; *that is*, which shall arrive at or depart from any Port or Place within Loch Ryan:—

If the same shall not exceed 50 Tons burthen, 6d.
And if the same exceed 50 Tons, for each additional 50 Tons, or part of 50 Tons, a like Toll of ..... 6d.

And double the said respective Tolls for every Foreign Vessel sailing as aforesaid, not privileged as aforesaid.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 16th of June, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 16th June 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 29th of June 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders [illegible] taken out shall be considered final and not afterwards [illegible] changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the

same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the Investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the date specified below:

NOTIFICATION.

Fort William, the 28th May, 1847.

OPIUM.—Notice is hereby given, that on Monday, the 14th of June, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1845-46, subject to the following Conditions, viz.

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	„	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 16th of June, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 16th of June, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 16th June 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 29th of June 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the

same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the date specified below:

Simla, the 16th June, 1847.

The Governor General is pleased to publish for general information, the following Letter from the Governor General's Agent at Rajpootana, relative to the measures adopted by the Jeypoor Council of Regency for the abolition of Slave Dealing, and the prevention of Child Stealing in the Jeypoor Principality:

No. 58.

From Lieut. Col. J. Sutherland, Agent Governor General for the States of Rajpootana,

To Sir F. Currie, Bart., Secretary to the Government of India, with the Governor General.

Dated Camp Jodhpoor, 11th March, 1847.

SIR,—In continuation of my Letter of yesterday, and as a further example of the good which may be effected during a minority in a Rajpoot Principality, whereby, our conduct towards the Sovereign, the Chiefs, and the people, we have gained the cordial co-operation of all classes, I think it proper to submit a copy of a despatch from Major Ludlow, (and of its enclosures) No. 21, dated the 5th instant, showing that since the establishment of the Regency in 1839, Slave Dealing has not only been abolished, but that the very term Slave (Gola Golee) has been forbidden to be used in the Jeypoor Principality, whilst the despatch, which exhibits some curious traits of native character, and institutions, shows the measures now in progress for the prevention of Child Stealing, a crime of common occurrence in most of the countries of India.

2. A copy of my Circular of this date to Political Agents and Superintendents in Rajpootana, is also submitted for the information of His Lordship the Governor General.

I have, &c.

Rajpootana Agency, Camp Jodhpoor, 11th March, 1847.

No. 21.

From Major J. Ludlow, Political Agent, Jeypoor,

To Lieutenant Colonel J. Sutherland, Agent Governor General for the States of Rajpootana.

Dated Jeypoor, 5th March, 1847.

SIR,—Although the purchase and sale of Children within the Jeypoor Territory has been formally prohibited by Proclamation since the re-establishment of the Agency in 1839, and persons found guilty of the offence have been brought to punishment, I am not aware that any report on

the subject has been submitted for your information; and it therefore appears the more desirable that you should be placed, as suggested by the Jeypoor Council of Regency, in possession of a copy of their recent Proclamation imposing restrictions upon Nagas, termed also Dadoopunthee Sads, or Shamées, in their course of inducting disciples into their sect, which is declared to have led to Child Stealing.

2. The Nagas in the Jeypoor Military Service, number about Five Thousand individuals. They do not marry, and the means by which their ranks are recruited, are detailed at length in the enclosed copy of the Proclamation, to which a translation is appended.

3. You may perhaps consider it proper that the fact of the very name of Slave (Gola Golee) having been repudiated within the limits of Jeypoor should be made known within the other States of Rajpootana, as a measure for preventing Children from being brought hither for sale, and for lessening to that extent at least, the crime of Child Stealing.

I have, &c.

Enclosure No. 2.

Translation of a Proclamation by the Jeypoor Government, dated the 13th February, 1847.

The purchase and sale of Children, which formerly existed, has long since been peremptorily ordered to cease within the limits of this Raj.

After this enactment went forth, the practice of trafficking in Children was in a great measure discontinued, and on persons being found guilty of it, they were punished according to the nature of their offence.

It has long since been the practice of the Raj to regard the purchased slaves, or those persons, of either sex, born in bondage prior to the enactment prohibitory to slavery, as privileged to remain at will with their employers, and perform service. Those, who, oppressed or dissatisfied, leave their service, taking with them property belonging to their masters must restore it; but they cannot be compelled to remain. For neither man nor woman is the slave of any person, they are merely servants at will, and are to remain with their employers only during pleasure.

It is the desire of this Government that the traffick in Children which was prohibited, may be so effectually put down, that there may remain no possibility of its being practised either openly or covertly, for which end two objects are essential, viz.

1st. That Children who are with masters of their own choice, are not to be considered as slaves (Gola Golee) as above described, but merely as servants during their own pleasure, persons for the sake of designating them, call them (Gola Golee) and there is in this, ground for fearing that foreigners of bad character, who before trafficked in Children, and perhaps continue to do so as opportunity offers, may, from this designation being preserved, bring Children for sale, considering that the terms Gola Golee still exist. It is therefore requisite that these terms, which are all that remain, should be discontinued.

2ndly. The Shamees and Dadoopunthees, who do not marry, adopt disciples (Chelas) and engage in money transactions with Zumeendars, from whom they take boys in pledge on advancing loans; and having so received them, they settle accounts by receiving them as Chelas.

The Zumeendars and others do not give up their Children voluntarily, but are influenced thereto by the pecuniary demands against them, and the oppression of the Nagas. They borrow money and enter into bonds to repay it within a given time, and failing to answer the demand punctually, and under dread of what the Nagas may do to them, seek for Children among bad characters, who bring them in consequence of hearing the terms Gola Golee still in use, and having purchased male Children, they make them over to the Nagas.

The bad characters in question aware of the circumstances sell the Children for small amounts to the Zumeendars who are debtors to the Nagas, and these persons receive them at a valuation exceeding the purchase price. The desire to obtain boys is one of the inducements of the Nagas to engage in money dealings.

The Zumeendars consider that to part with their Children is a calamity, and instead of yielding up their offspring they purchase Children from bad characters of their acquaintance. Thus slave dealing is not put a stop to thoroughly, as it ought to be.

The Nagas are prepared with a ready answer to all who may enquire of them. They say that the natural guardians (Waris) of the Children gave them in free gift as disciples—and consider that this will absolve them from responsibility.

That people borrow money from Nagas pledging their sons for the repayment is a great evil the suppression of which has become necessary. It is therefore ordered, that henceforward, no persons offend in the manner above stated by purchasing Children or by pledging or by the sale of their male Children either to Dadoopunthee Sads, or others Should any one (desire to) transfer a male Child in free gift to a Dadoopunthee Sad to be reared as a disciple, the said Child cannot be so transferred without due authority from the Raj, unless he should have attained his sixteenth year. A youth of less mature age is not able to judge of his course of conduct. Should any one give up his (young) Child to be reared as a Chela, it will be plainly inferred that he was sold, and that the avowed terms of transfer are a mere pretence.

Dadoopunthee Sads are enjoined not to receive any one's Child in pledge, or by purchase; nor to receive a Child of immature years except under the authority of the Raj. These injunctions must be implicitly regarded both by the Zumeendars and Shamees*. If in contravention of this order persons should pledge or sell their sons, or make over as a Chela, a Child who has not attained the age when he may judge for himself, the giver and receiver will be punished with the utmost severity for the offence, and their excuses will not be listened to.

* Nagas, or followers of the celebrated Dadoo.

It is also enjoined upon all classes that their Chakurs and Chokrees, who in reality are not Slaves (Gola Golee) but merely servants during pleasure, and who are not otherwise regarded by any one, should no longer be designated as Gola and Golee, but be styled Noukurs; should any persons style them Gola and Golee, they will be regarded as offenders of the Raj.

No. 3.

Substance Translation of a letter addressed by the Jeypoor Council of Regency to the Political Agent, and bearing date 18th February 1847.

Traffick in Children has been for some time prohibited within this Raj, and a Proclamation to this effect was issued; persons too, have been punished on being found guilty of Slave dealing. But that every where the orders may be obeyed, a Proclamation is (again) issued to the effect that no one in future shall make use of the terms Gola Golee, as from these designations being in use, persons of bad character are induced to bring Children, of either sex, clandestinely, and sell them in Slavery, and therefore, desirous that the root of the evil may be removed, we have issued the Proclamation, a copy of which is now sent to you.

Mehta Oodee Chund and Mehta Ugur Chund, who are persons of intelligence, have been nominated to prepare Rolls of the Naga Jumaets, and to furnish them quarterly. These persons have been despatched for the performance of this duty, and it will be their object to ascertain that no person infringes the terms of the Proclamation with regard to the purchase of children or receiving them as disciples.

It would be an appropriate course were you to address the Burra Saheb, in order that the same practice may be adopted generally throughout Rajusthan.

Produce of Behar Agency, ...	Chests	1,685
Ditto of Benares ditto,.....	„	724
Total Chests,...		2,409

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,409 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Thursday, the 15th of July, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 15th of July, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 15th July 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 27th of July 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or even Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

By Order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secretary.*

1. No Candidate for an Apprenticeship in the Subordinate Medical Department shall be admitted below 14, or above 18 years of age.

2. Candidates will be required to produce in the first instance, Certificates of parentage and age, and satisfactory testimonials of good character, before they can be deemed eligible for preliminary examination.

3. Candidates must be of healthy constitution, and physically fit for the active duties of the service.

4. 5. The number of vacancies in the Department will be notified in General Order, Commander in Chief, three months prior to the holding of the examinations, which will take place on the 15th April and 15th October of each year, at the several Head Quarter Stations of the Divisions of the Army. 6. Passed Candidates for admission to the Department must serve two years in the Grade of Apprentice in the Hospital of a European Regiment, or in the General Hospital at the Presidency, and during that period have given proofs of general good conduct and readiness to qualify themselves for the performance of their duties, otherwise they will not be considered eligible for a Studentship in the Medical College.

7. The Apprentices so qualified, who may be selected by the Medical Board for Studentships in the Medical College, shall be required to quit their Stations in the Upper Provinces at such time as to admit of their arriving at the Presidency before the opening of the College Session on the 15th June.

13. In future, all Subordinate Medical Officers shall be subjected to a searching examination previously to promotion in the Department. No Apprentice shall be promoted to the rank of Assistant Apothecary, or of Assistant Steward; and no Assistant Apothecary, or Assistant Steward shall be promoted to the higher Grades of the Department, who cannot produce satisfactory testimonial of good character, and afford proof, on examination by a Committee of three Medical Officers belonging to European Corps, of continued proficiency in the above branches of professional knowledge.

14. Respecting those of the Subordinate Medical Department, who may not have had the advantage of previous Scholastic instruction, the Committee of Medical Officers in preparing the questions to be answered by them, will be guided by the opportunities which the parties may have enjoyed of acquiring professional knowledge. It will be indispensable that they shall possess an entire acquaintance with all Returns, and Reports, and Indents, required in the Apothecary and Steward's Departments, a set of which, in their own hand-writing, they should produce before the Committee, and in short under no circumstances shall any individual of the Department be passed for the Superior Grade, unless found sufficiently qualified for every duty which, from his position in the public service, he may be required to perform.

NOTIFICATION.—In modification of the rules for bonding Salt, promulgated on the 28th September 1841, under the authority of the Board of Customs, Salt and Opium, it is hereby notified, that parties desirous of bonding imported Salt in private Warehouses, may apply to the Collector of Customs for a license in the form C, appended to Act No. XXV. of 1836.

If the Board are satisfied, on the Collector's report, that the Warehouses mentioned in the application are well adapted for the secure custody of the Salt, a license will be granted under Section XIX. of the abovementioned Act, and Salt may then be bonded therein, under the restrictions provided by the Act in respect of any other article of merchandize bonded in a private Warehouse.

A portion of the Government Golahs at Sulkea will be set apart from the 15th proximo as a public Warehouse for the reception of Salt, on the same terms, at a fixed rent; and will continue to be available for that purpose, until required by Government.

The rate of wastage allowed upon Salt, so Warehoused, will be at the rate of four per cent. per annum, upon the quantity weighed over the ship's side; but the Import duty will be settled on the quantity so delivered, according to the provision of Section XVIII. Act No. XXV. of 1838.

Warehouses licensed for the reception of Salt under bond, will not be available for goods of any other description.

All expenses attending the receipt, storage, custody and delivery of Salt at Warehouses licensed as above, or in the Sulkea Golahs, will be borne by the parties availing themselves of the privilege.

Parties who are unable to provide Warehouses so constructed and situated as, in the opinion of the Board, effectually to provide for the secure custody of Salt while under bond, will be allowed, as before, to Warehouse their Salt under the rules of the 28th September 1841, which otherwise remain in full force, except in so far as they are modified by this Notification.

By order of the Board of Customs, Salt and Opium, the 30th June 1847,

NOTIFICATION.

Fort William, the 25th June, 1847.

OPIUM.—Notice is hereby given, that on Monday, the 12th of July, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1845-46, subject to the following Conditions, viz.

Produce of Behar Agency, ...	Chests	1,685
Ditto of Benares ditto, ...	„	724
Total Chests,...		2,409

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,409 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Thursday, the 15th of July, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 15th of July, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 15th July 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 27th of July 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or even Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited

for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale,

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares; and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment,

By Order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secretary.*
